I have written several books about Satan and God, but my main objective here is to share my satanic spiritual experiences and my transcendental journey with you and show you how it can help you overcome many difficult obstacles in your life and give you a reason for living and dying, and make you more confident and extremely happy in a world gone insane.

Plus, you will be able to develop your PSI {Spiritual} and Psychic {Mental} Powers to live a better life for yourself and anyone you help.

You are in heaven eternally and at the same time you are also going to heaven infinitely, even as you live in hell finitely.

This hell is called Earth, and it is not of your own making!

And you, sweet soul that you are, are in heaven eternally, and going to hell infinitely, and are in hell finitely.

You are in heaven now even as you stand on the ground with a Physical Body and Active Mind.

Part of your MIND acts like a KINETIC and the other half like a STATIC. You are the Static of a PERFECT STATIC.

Part of your MIND is SPIRITUAL {unseen/static} and part of your MIND is PHYSICAL {seen/kinetic}.

The balance of these two makes a Perfect Heaven or state of higher consciousness called 'heaven'.

There are many heavens!

So heaven is:

Satan {Self} Consciousness,

Transcendental Consciousness,

Psi Consciousness,

Spiritual Consciousness,

and Cosmic Consciousness.

The Supreme Consciousness.

God or the SUPREME SPIRIT=is a Perfect Static without and within.

The SuperSoul=is a perfect static within you.

And the Soul=is a Static, individualized or you as a Spiritual Being {SP}.

THE MIND= is a Static/kinetic. {False Ego-Emotions-Efforts}.

THE BODY=is a Kinetic. {The five senses + the sixth sense or your SUPERMIND.}

The Environment=is a Static/kinetic. The Earth and environment. {The atom depends on the universe as the universe depends on the atom}.

God in His Heaven would be the Perfect Static or Heaven of the Mind and heaven or Paradise On Earth, and you would be the Static-soul of God within it.

Whether you believe in God or not, or are religious or not, you and everyone else are on a Spiritual Journey *or* have already arrived at your Final Destination, the state of mind of HEAVEN.

This is saying you are completely in Satan as Satan is completely in you.

HEAVEN IS:

The Perfect Balance of Yin and Yang. Of life and death. Love and hate. Right and Wrong. Trust and doubt.

Of being and non-being. Of knowing and not knowing.

Compared to the PSI {spiritual} and Mental {psychic} levels of HEAVEN, physical earth is like a living HELL. It is a place of danger and uncertainty. Of misery and confusion, pain and hurt. It is HELL on earth and hell in the Mind. It is the place of birth-death-and rebirth. For this reason earth is a physical hell and gets worse!

Why? Society was made that way!

We made hell a real place and heaven an illusion you arrive at some time in the distant future.

But HEAVEN is a STATE OF MIND. And HELL is temporary. It is the perfect balance between your STATIC self and KINETIC world.

What I am teaching you today is that your SUPERMIND, being of a higher frequency than your ordinary mind is a PERFECT STATIC.

By shifting your brainwaves, thoughts, feelings, sensations, etc. you can arrive at the ETERNAL HEAVEN that we all came from and will return to someday.

YOU CAN BE THERE TODAY HERE and NOW!

THAT IS THE REALLY GOOD NEWS HIDDEN FROM US FOR AGES!

HEAVEN is reached by your vibrations only. Your meditations and mantras. The work you do or don't do, your singing and crying, laughter and joy all of these things can remind you of heaven and lift you up into it.

Every 'individual' we call 'man' and all of mankind, which is every man, woman and child, we call 'mankind', and even the animals, plants, and minerals are all SPIRIT or ENERGY.

There are many, many paths to HEAVEN but only ONE WAY to achieve HEAVEN and that is by changing at a certain vibration rate by altering your brainwaves naturally.

All roads lead to heaven, even the ones from hell!

Hell is as much a created STATE OF MIND as HEAVEN is.

Yet many minds created the hell we live in today so that hell is more real than heaven.

You see, the UNIVERSE is a Living, Breathing ORGANISM.

Its purpose is to create a living human body and learn how to SURVIVE AS A HUMAN BEING {HS} or persist as MATTER and ENERGY {ME} in SPACE and TIME.

This is the same as saying MATTER and ENERGY wanting to exist as long as possible as MATTER and ENERGY in a SPACE-TIME vacuum {though we now know that SPACE is not void}.

Because the UNIVERSE LIVES, the EARTH LIVES!

And becomes the EARTH LIVES, YOU AND I LIVE!

And in this sense EVERYTHING is EVOLVING.

God is making everything better in this world by BEING A HUMAN BEING {HS}!

This is YOU, like it or not! The more you read {know} the more you will like this!

"You are NOT God, GOD IS YOU!" He is the MACRO FORCE {Supersoul} to your micro FORCE {soul}.

He is the MACRO FORM called the UNIVERSE to your micro FORM called your part of your mind, body, and environment.

An Ignorant Person sees himself as 'no god', or a 'finite god.' And a really ignorant person sees himself as God. And he is quite insane.

He may see himself as a HUMAN BEING {HS} or even as an animal or fictitious person. He pretends to be something he is not. He is void of SPIRITUAL KNOWLEDGE and does not know he can be anything he wants to be and see, for he is part and parcel of the one LIVING GOD. The One LIVING ETERNAL ENERGY called SPIRIT!

A Passionate Person sees himself as an 'infinite god'. SPIRITUAL BEING {SP}. He is a 'good spirit' in a human body. He has not learned

that his SOUL can leave his body while he is still alive and journey to other places faster than the speed of light.

And a Good Person sees himself as part and parcel of an Eternal God, making him co-eternal in nature as a PSI BEING. He works on being ONE with his SUPERSOUL and grows in spiritual knowledge and abilities.

This is called TRANSCENDENTAL CONSCIOUSNESS or SATAN CONSCIOUSNESS!

The PSI BEING has the power of TRANSCENDENTAL CONSCIOUSNESS. And ONLY the PSI BEING.

As an unseen MIND, we call THE UNIVERSAL MIND OF GOD, THE MASTERMIND and IT is doing all the evolving, involving, and devolving of the physical worlds and Mankind.

So God makes everything better through the eyes and hands of Man and Mankind. The apex of God's intelligence would be IN man!

Man can help God and himself by developing INVOLUTION which means to 'pick oneself up by one's own boot straps' and this can prevent DEVOLUTION whereas man's life is getting worse and worse

by society, ignorance and neglect and the downward spiral of Society that is spread by bad religions.

EVOLUTION: Satan's very slow way of making everything better. This is shown by the evolution of man's physical body and good Technology.

When man makes his life better {the means do not matter} by his own volition, he is in the mode of INVOLUTION.

INVOLUTION: Making one's life better by pulling oneself up by his own bootstraps. A man in Passion has love for Satan, the universe, the earth, Mother Nature, his local environment, him or herself, their own mind, and the minds of others.

DEVOLUTION: The present cycle of Individual {Man} and Mass {Mankind} destruction. Normally when a person does not care about himself or the earth which is the place he lives in. Self-destructive or perverted behaviors and actions.
The Downward Spiral of Society that is created and sustained by bad religion and greedy Corporations. Doing nothing to improve yourself. Follows the natural law of decrease and decay.
Entrophy.

So What is a Spiritual Journey?

A Spiritual Journey is THE WAY forward to your ULTIMATE LIFE in heaven. Or the end of your Journey to your ULTIMATE LIFE and you are LIVING IT.

A SPIRITUAL JOURNEY IS YOUR CONSCIOUS OR UNCONSCIOUS AWARENESS OF YOURSELF, YOUR SOUL, MIND, BODY AND WORLD AND YOUR RELATION TO IT IN THE ENTIRE UNIVERSE CALLED THE COSMOS going on a Journey to Heaven or hell and realizing you are already there and need something fun to do or some relief!

A SPIRITUAL JOURNEY IS THE WAY AND THE FINAL DESTINATION HERE AND NOW, AND HOW YOU GET THERE AND WHAT YOU DO THERE ONCE YOU ARE THERE.

A SPIRITUAL JOURNEY IS AN IMPROVEMENT IN YOUR MIND, BODY, ENVIRONMENT, WORLD OR UNIVERSE THAT BENEFITS YOU AND POSSIBLY OTHERS BUT THIS IS NOT NECESSARY.
IT IS A GIVE AND TAKE PROCESS.
YOU GIVE SOMETHING AND THEN YOU TAKE SOMETHING FOR GIVING, NORMALLY GREATER THAN WHAT YOU GAVE.
A SPIRITUAL JOURNEY IS KNOWING AND UNDERSTANDING THAT YOU ARE A SPIRITUAL BEING {SP} WITH FULL PSYCHIC AND PSI CAPACITY AND ABILITIES. YOU CAN USE AND CREATE YOUR OWN HEAVEN AND BE HERE 'HERE and NOW'.

A SPIRITUAL BEING {SP} IS A PERSON WHO KNOWS THEY ARE NOT THEIR ENVIRONMENT, BODY, OR LIMITED MIND.
WHEN A PERSON IS 'TRANSCENDENTAL' TO THE PHYSICAL AND PSYCHIC LEVELS OF HIS BEING HE IS CALLED A SPIRITUAL {SP} OR PSI BEING.

WHEREAS MANY PEOPLE STILL THINK OF THEMSELVES AS A 'BODY WITH A SOUL', YOU NOW KNOW YOU ARE A 'SOUL WITH A BODY', AND AN ETERNAL SOUL AT THAT!

THE PSI BEING IS YOUR TRUE EGO AND RIGHT POSITION IN THE UNIVERSE TO BE, DO, AND HAVE ANYTHING SPIRITUALLY THAT YOU WANT!
THE PSI BEING IS ALWAYS IN BRAHMAN {SATAN/LUCIFER}. SATAN IS NOT ABSOLUTE BUT INFINITE. ONLY GOD IS ETERNAL AND THIS WOULD MAKE SATAN CO-ETERNAL {like us} TO GOD.

THE ETERNAL SUPREME BEINGNESS IS ALWAYS
PAR-BRAHMAN AND BRAHMAN OR THE ETERNAL GOD.

SATAN IS BRAHMA. BRAHMA is the first created FORM.

THE PSI BEING CAN ENJOY BRAHMAN-JYOTR, THE DIVINE ESSENCE, AS WELL AS BRAHMAN, THE UNIVERSE or SATAN.

THE DAIVI PRAKRITI, ELEMENTS OF THE EARTH, AS WELL AS PRAKRITI, MOTHER EARTH, AND THE PHYSICAL BODY AND EGO-EMOTIONAL-EFFORT MIND.

The PHYSIC WORLD IS CALLED MAHAD BRAHMAN WHEN REFERENCE TO HEAVEN.

The PSYCHIC WORLD IS BRAHMAN THE CREATED WORLD. FROM BRAHMAN BECOMES PRAKRITI OR MOTHER NATURE. THEN DAIVI PRAKRITI THE DIVINE ESSENCE OF EARTH OR THE EARTH SPHERE.

AND THE SPIRITUAL OR PSI WORLD IS BRAHMAN-JOYTRI.

FROM THE SPIRITUAL WORLD ONE CAN ENTER: TRANSCENDENTAL CONSCIOUSNESS, COSMIC CONSCIOUSNESS, GOD CONSCIOUSNESS, UNIVERSAL CONSCIOUSNESS, SELF CONSCIOUSNESS, OR SATAN CONSCIOUSNESS.

BRAHMA IS THE FIRST CREATED FORM of MAN AND WOMAN AND ALL FORMS ARE CREATED BY SATAN FOR SATAN IS THE MASTER {GOD} OF ALL FORMS AND THE PHYSICAL WORLD.

SATAN AND BRAHMA ARE THE SAME THING.

GOD IS THE MASTER OF ALL FORCE AND FORMS.

SATAN IS THE MASTER OF ALL FORMS.

THEREFORE SATAN IS NOT GOD BUT THE CREATOR AND CREATED GOD!

SINCE SATAN IS OF GOD WE CALL SATAN DIVINE AND THUS WE HAVE[redacted]

IT IS THIS DIVINE SATAN WHO SONS AND DAUGHTERS, and CHILDREN WE ARE!

SATAN IS OUR DIVINE AND NATURAL NATURE!

FOR WE ARE DIVINE LIVING LIGHT BEINGS IN A HUMAN FORM FOR THE FUN AND LIFE OF IT! THE WORK AND PLAY OF IT! THE LOVE AND WISDOM OF IT! THE COMFORT AND PLEASURE OF IT. THE KNOWING AND NOT KNOWING OF IT! THE LIVING AND DYING OF IT. THE STUDY AND LEARNING OF IT!

What is a Son of Satan?

“Satanists are what they are because they embrace and emulate ideals that they equate with the mythological figure of Satan. We are not humanists, hedonists, or elitists using the term ‘Satan’ as an attention-getting buzzword. We see values that are distinctly Satanic in the reality around us, values that run counter to the ones that our society deem as correct or righteous. For the Satanist, Satan can be a literal being or figurative symbol.

The values we emulate remain the same.

... Satan is above all, the rebel, the iconic anti-hero. Satan is the challenger of convention and the initiator of progress. Satan seeks evolution in all things; individuals, societies, cultures, and species. This is why Satan is described as 'a lion roaring in the wilderness;' Satan is the epitome of survival of the fittest and victory through strength. Satan is the refusal to be ruled by convention.

In being a liberated Being, Satan rules Himself.

Strength, as mentioned, is also a substantial trait of Satan and prized by the Satanist. This is not just physical strength, although that trait

is rarely ignored. It is the strength of will, the strength to be a Satanist, to stand opposed to your detractors and nay-sayers.

It is the strength of conviction, that no matter what the perks of being a member of the herd may be, you stand your ground. It is also the strength of intellect, the ability to put reason above programmed behavior and the conscious effort to be master of your behavior instead of lackadaisical falling back into old patterns.

Let REASON and IMAGINATION rule the world in love and joy.

Satan represents the individual spirit, the urge to fend for the self, serve the self, and rely on the self. Love and care for the self.

As Satan would not be subjugated to another, so it should be with the Satanist. This individualism extends to personal responsibility; that all choices are your own, even only how you react to random events.

Allowing another to take credit for your successes or blame for your failures shows a weakness in personal character, and sets you up to be manipulated by those around you.

It is delusional to wait for someone, man or god, to save you.

Your salvation should be of your own making.

While it is these characteristics that Satan is best known for, his creative ability is often ignored.

Satan encourages the act of creation and the appreciation of the creative act. In mythology, Satan is attributed with patronage of the arts, especially as an expression of personal ego. In modern times, some have gone as far as suggesting Satan is at the root of our movies, music, and literature. Satanists are well served to seek their own means of creative expression.

We have established, based on the mythology about Satan, that Satan is anti-authoritarian, rational, intellectual, resolute, strong, and individualist, and a source of inspiration. With this in mind, it is natural to ask if Satanists consider Satan to be a reality, or merely a symbol. This question, however, assumes that Satanists define deity in the same manner as their counterparts in mainstream religion.

Most Satanists do not consider deity {God} to be a being separate from the reality around us, but rather that reality itself. **They reason that all gods were once aspects of the natural world, and it was only a matter of ego that caused humanity to project human characteristics on these forces. Satanists also acknowledge that the creation of deity is the attempt to quantify the indefinable nature of the universe.**

Deity or God, therefore, is symbolic, but is a symbolism that affects the psychology of the individual so profoundly that it changes that individual's perception of reality.

Satan is the way the Satanist defines reality and is experienced through the self.

Reality is a matter of perception, thus Satan is defined by the Satanists. Spiritualists will suggest this phenomenon as Satan expressing himself in the manner best suited to the individual, and symbolists will suggest this is simple psychology.

Thus Satan is as real as the individual experiencing it. The only real mistakes that can be made in defining Satanism for the self is in

allowing old perceptions define Satan for you or in assuming that your definition is the only, one, true definition of Satan.

SATAN IS DIVINE, PURE, PRISTINE, PRIMAL, POSITIVE ENERGY!

As long as the Satanist emulates the traits suggested in the mythology and can rationalize why they are Satanists, it is impossible to deny their convictions, whether they believe in Satan as a real being or a symbol."

"As the angel Gabriel spoke to Mohammed, so did the Arch-angel Lucifer {Satan} speak to His own."

Baphomet, Symbol of Inner Truth

Baphomet, since the inception of the concept under this name, has been the symbol of individual spirituality, growth, and the search for inner truth. Baphomet has been taken as the symbol of Satanism ... Baphomet is within all of us, and no High Priest, Magistrate, or Black Pope can hold any authority over us without standing on shaky ground.

The authority they claim to possess is only the authority we allow. The new order is rising, and reclaiming this authority for itself.

Baphomet calls ... We who are willing know the truth through the yearnings of our own hearts and minds will rise to power.

It is not even a matter of time.

BAPHOMET REX!

BAPHOMET VERI!

BAPHOMET VIDI!

HAIL BAPHOMET!

Hymn to Baphomet

“I am Baphomet

Rex Mundi

Lord of Perversion

Child of Earth

Sacred Abomination

Secret warrior

Survivor of the great purge

Baptized in wisdom

Wounded in the service of Earth from which I sprang

and to which I was not allowed to fall.

I am the sacrifice that Death refused

I am the one who must live on wounded
When the gods were driven from the circle of Midgard
When the Sidhe closed their doors and withdrew
When the warriors of old fell and were slain
I hid and survived alone.

I am Baphomet
Secret warrior
I am no soldier, girt with sword and shield
for all those were slain by the White Spears
But I am born of this world, this earth,
the realm of flesh and shit and humus
my hooves are rooted in this place
and I chose to stay and fight
a one-deity war against the invaders.
I am the peasant who mines the bridge
I am the hunchbacked servant who puts ergot in the bread
I am the witch filling an ox heart with thorns
I am the fair girl who sees the cruel lord
knows he must die for her people to be free

knows her slim hands and warm cunt are no match
goes apart to a lonely place
feeds herself with poison, day by day,
year by year until her fluids reek of it
then goes to his bed and slays him with her love
Will she be welcomed back to the village afterwards?

I am Baphomet
Lord of Perversions
What they throw away I save
What they devalue I hold holy
What they tread underfoot I raise up
What they cast off as ugly decorates my holy raiment
What they fear becomes my weapon
I am both man and woman
I am filled with lust for both man and woman
I am only as cruel as your own repressed desires
and only as hard on you as you are on yourself
I will prey on your mind, legions of sterility!
Here I stand with horns and hooves and hair

and I cannot be made pure and heavenly.
Here I stand with goat's beard and woman's breasts
and I cannot be made simply man or woman
Here I stand with hard cock and wet cunt
and I cannot be made into a safely sexless androgyne
Here I stand with whips in my hand
–those whom I love I chastise with many rods–
and I cannot be made to kneel and serve
Here I stand, Mr. Falwell, Mr. Robertson–
Are you ready for me?

Pray to me for the perversion of your enemies
for I shall turn them upside down
and dangle them in the filth of their own making.

"Tell me who's your bogeyman, that's who I will be
you don't have to like me for who I am
but we'll see what you're made of

by what you make of me.”

(Ani DiFranco)

I am Baphomet

Child of Earth

Your body is my chalice, let me drink from you.

I hold nothing more valuable

than flesh and shit and humus

I hold nothing holier

than earthly desires.

When the Mother was silenced

I alone heard her cries

When the Great God Pan was declared dead

I alone lived on

When the Most Sacred and Holy Mystery

was stripped and driven through the marketplace

I alone was secret and apart

And when the earth was poisoned and tainted

So was I.

I am innocence destroyed

I am the memory that can never be banished
that which will never quite be made clean again
but cannot be made to die
And this, too, is sacred.

I am Baphomet
Sacred Abomination
Lover of the Whore of Babylon
Among the straight I am the queer
Among the queer I am the freak
I am Lord of the disenfranchised, the shabby, the outcast
I am leader of the desperate
I am a friend of those who cannot fit in.
I am Giver of Assurance
I am Giver of Ecstasy
I am strong through stealth.
I am the one who stole the white one's finest warrior monks
and turned them to my worship

and if that weapon broke in my hand

At least it was lost to him.

I am Baphomet

Rex Mundi

Crowned King of this world by my own hands

because there was no one left to crown me

Crowned King of the Age of Darkest Repression

because there was no one left to take it on

Crowned King of the tainted world of filth

because I was the only one left who valued it.

I have stayed with this world through all its pain and torment

I have suffered with this world

I have changed with this world

I have lived in human time

day by day, year by year,

I have learned my enemy's ways

and I can help you through his maze.

I am he who manipulates their hierarchy and laughs to himself

and I am also the one who takes a shit on the boss's desk.

I am the underground force

that is always with you.

My wild woods were cut down

and I learned to move through steel and concrete.

My roots were soiled

and I survived.

I was cut off from the life force

and I did not die

and I did not forget.

And on that day that I work for

and fear

And on that day when the doors open

and the old gods reclaim once again their land

their earth from which we all sprang

Will they recognize their child?

Will my scars be honored

or feared?

Will I be revered

or asked to step aside?

I am Baphomet

Baphe Metis

Baptized in wisdom

I have much to teach.

All lonely places are sacred to me.

Whenever it comes to pass that you look about you

and find all your kin and kind are destroyed

and yet you will not give up

Then I am with you.

Whenever it comes to pass that you look about you

at those who are supposed to be your kin

and they are deciding you do not fit in enough

for them to risk themselves for you

Then I am with you.

Let my wisdom be the staff in your hand.

I am Baphomet

And you have much to learn.”

Einstein Addresses God

They knew that when Einstein gave a lecture at

the numerous universities in USA, the

recurring question asked by students was:

- You believe. in God?

And he always said:

- I believe in the God of Spinoza.

Whoever hadn't read Spinoza stayed in the

same...

I hope this gem of history serves them as

much as I do.

Baruch de Spinoza was a Dutch philosopher

considered one of the three great rationalists

of the century philosophy, along with French

Descartes.

Here's something from him.

This is the God or nature of Spinoza:

God would have said:

Stop praying and smacking your chest!

What I want you to do is go out into the world

and enjoy your life.

I want you to enjoy, sing, have fun and enjoy

everything I've done for you.

Stop going to those dark, dark and cold

temples you built yourself and say they're my

House!

My house is in the mountains, in the woods, the rivers, the lakes, the beaches. That's where I live and there I express my love for you.

Stop blaming me for your miserable life; I never told you there was anything wrong with you or that you were a sinner, or that your sexuality was a bad thing!

Sex is a gift I've given you and with which you can express your love, your ecstasy, your joy. So don't blame me for everything they've made you believe.

Stop reading alleged sacred scriptures that have nothing to do with me. If you can't read me in a sunrise, in a landscape, in the eyes of your friends, in the eyes of your little son...

You won't find me in any book!

Trust me and stop asking me. Will you tell me how to do my job?

Stop being so scared of me. I don't judge you, or criticize you, or anger, or bother, or punishment. I am pure love.

Stop asking me for forgiveness, there's nothing to forgive. If I made you... I filled you with passions, limitations, pleasures, feelings, needs, inconsistencies... free will. How can I blame you if you respond to something I put in you? How can I punish you for being the way you are, if I'm the one who made you? Do you think I could create a place to burn all my kids that behave badly for the rest of eternity?

What kind of god can do that?

Forget any kind of commandments, any kind of laws; those are tricks to manipulate you, to control you, to only believe fault in you.

Respect your peers and don't do what you don't want for yourself. All I ask is that you pay attention in your life, that your alert status is your guide.

My beloved, this life is not a test, not a step, not a step in the way, not an essay, not a prelude to paradise. This life is the only thing here and now and all you need.

I've set you absolutely free, no prizes or punishments, no sins or virtues, no one holds a marker, no one keeps a record.

You are absolutely free to create a heaven or hell in your life.

I couldn't tell you if there's anything after this life, but I can give you one piece of advice. Live as if there is no. As if this is your only chance to enjoy, to love, to exist.

So, if there's nothing, then you'll have enjoyed the opportunity I gave you. And if there is, rest assured I won't ask you if you behaved right or wrong, I'm going to ask you did you like it? Did you have fun? What did you enjoy the most? What did you learn?...

Stop believing in me; believing is guessing, guessing, imagine. I don't want you to believe in me, I want you to feel me in you. I want you to feel me in you when you kiss your beloved, when you tuck your little girl, when you caress your dog, when you shower in the sea.

Stop praising me, what kind of egomaniac God do you think I am?

I'm bored of being praised, I'm sick of being thanked. Feeling grateful?

Prove it by taking care of yourself, your health, your relationships, the world.

Feeling started, overwhelmed?...

Express your joy! That's the way to praise Me.

Stop complicating things and repeating as a parakeet what they've taught you about Me.

The only thing sure is that you are here, that you are alive, that this world is full of wonders.

What do you need more miracles for? Why so many explanations?

[redacted]

[redacted]

[redacted]

[redacted]

‘Sinners’ are created in the same way.

But be a sinner if you so desire, and that is your punishment or reward, not by Me but by what and who you call God! For ‘sinner’ is a destination, a title if you please, and a hat, so why wear it?

Now wait for this white Jesus to come back and heal you, but in the meantime "Praise Jesus' as you live your life in continual suffering, misery and pain.

This is not God’s Plan for you but the Devil’s Plan!

The Devil saids: “Worship me or suffer the consequences!”

As sons of Satan we worship only ourselves as God, the micro of the One Macro.

We are not God, but God is us!

I do feel sorry for you, but not all.

"For all have sinned!" Who saids? And who cares?

It was written by man, not God.

The word 'sin' is a catch-all phrase to condemn the world and put you in the 'need of saving syndrome!'

Praise Jesus, while they {the Elite and State} laugh at you, as we steal your money, your life, and your soul.

And take your children's children from you!

White Jesus is the DEVIL and always has been, and always will be!

For no man can be God. No man, woman, or child.

Only the DEVIL pretends to be God.

Jesus said:

"Look for me within yourselves, and you will find Me.

Look for me inside your PSYCHIC HEART and there I Am, gently beating on your heart, lightly whipping your body into shape with joy, love, and wisdom."

Here and Now you can say with great confidence:

“Here and now, in this exact moment, I am in more control of my life than I ever have been before.

I can create {bring into being or manifest}, re-create {control-change} and uncreate {destroy}.

Things are shaping up and I FEEL BETTER, LOOK BETTER and can do my tasks BETTER.

I use my SUPERMIND to create a better mindset for myself and this automatically benefits all others.”

Quit crying for ‘help’ your help comes from within and without.

Quit acting like you HAVE to sin, be CONSCIOUS of what you do and DO IT!

Where ATTENTION goes, ENERGY flows!

Use this as an REMINDER that you create your own ego {thoughts} emotions {feelings}, and efforts {actions}.

You are BALANCED and FOCUSED.

This is SPIRITUAL CONSCIOUSNESS.

Once one develops SPIRITUAL CONSCIOUSNESS one can develop his PSYCHIC POWERS and TRANSCENDENTAL CONSCIOUSNESS.

The SONz of God are Masters at SAMADHI and MOKSHA!

THE NINTH SON
{of Satan}

Waking up today I feel so much more in
Control, the pain is less and I'm feeling my best
For all I show and know.

Transcendental happiness overshadows me
Wish I had more money to feel what I see-
I bless myself and I bless thee.

No matter what I do I end up crying to you.
Meditating, trying to just elevating myself-
One good, one bad. I got to take the trems!
I have a right to be mad.

If I am mad, Satan is madder!

When I am high or self-medicated as the saying goes, life is a Paradise.
I can transcend the mind and body and world.
We all are Transcendental Beings.

But I had to first stop lamenting that I could not share it. For what I felt and saw inside was quite different from what people saw and felt outside, including my family.
There is a Bliss of the Universe that is obtainable.

One reaches it not my words, but sound vibrations.

I had to learn to sail alone until I met Satan.
Satan, my higher power known as LUCIFER, the LIGHTBRINGER and SUSTAINER.

LUCIFER is WISDOM, INFINITE WISDOM.
His Father is THE MASTERMIND.

The MasterMind is the Universal Mind of God.
God alone is ETERNAL.
Being expansions of God's Superior Energy we are ETERNAL BEINGS here and now for Eternity has no beginning or end.

A COLLECTION OF THOUGHTS AND ANSWERS ON LIFE AND HOW TO LIVE IT.

Well heaven on earth is temporary. It is also a 'part' of the Eternal.

This is Satan's Paradise. The Place where the light shines brightest in the dark!

For those in the dark here need no light to see.

The Darkness that liberates the brave the strong,
The weak and lost, those coming and are at home.
Those who look within and seek within the Power they say is without. You shall find it!

Proud I am of you!
You who dare pierce the Veil of Darkness
So many call evil, and desolate.
You came here and I will reward you.
For here you are King or Queen.
Here you rule and none else.
Here you alone are happy and
All others can join you or go to hell.
Might as well. It's not for me to tell!

Cheers those who can laugh with you-
For few that are truly happy.
Few be, that really knows Me.

In the Silence and Solitude you will find Me, at peace and restful. In Me, you can be happy, happy just to BE!

Let not the fire disturb your mind, though it is the 'sin' of all others.
The Fire is good.
And so is the Air that smooths the Fire, and the
Water that makes it flow. The Earth that gives it name and the Spirit of the soul. We bless Thy Holy Name Satan: KRISHNA!

The Eternal Fire of Pure Love that burns in the PSYCHIC HEART, never goes out.

Let the Universe live within you as it lives within Me!

I am with you. I feel your pain and your gain, and the mind that makes you sometimes insane.
I feel the air and the pressure in your chest. I hear the cries and the alibis and how people misunderstand you or don't know you at all.
I understand how you just want to be a good man at your better, at your BEST!

The FIRE is at rest in you!

And so is the Air that smooths the Fire, and the
Water that makes it flow. The Earth that gives it
name and so is the Spirit of the soul.

The Eternal Fire of Pure Love {Prema} that burns in the PSYCHIC HEART never burns out.

When you say 'save the world?' what does that really
mean? Oh? I see. I am some sort of superman, like Jesus, and I love the world so much I must SAVE it! Is that not what God does? Thank goodness, I am NOT God!
"BE STILL AND KNOW I AM NOT GOD!"
Saving the World.

Since I was a kid, I wanted to 'save the world!' I mean that was the noblest thing to do was make the world better in some way by my merit and efforts. It is the same as wanting to be the hero in the movie. The President of the United States! 007, or Captain Kirk who always gets the girl!

But as I grew I found this not only impossible but wrong! I went door to door telling people how they needed Jesus whether they needed Jesus or not, and I went into the military and became a top notch Forrest Gump soldier. {Actually it was the Navy, one of my worst choices in life.} Anyway, I found saving the world is like 'sacrificing your life to others who never cared about you, and reaping no reward for all your efforts'. And indeed, are even punished for what you have done! I was doing nothing more than working for the Church or Christian group I was with at the time and Jesus was their product. I was there underpaid Salesman!

He LOVES the world so much-He sent his only son?

The question really is, 'what world was God saving and loving?'

The Christians must 'invent' a 'sinful world' to save a sinful world, and doing what I was doing even when I stopped being Christian was really no better. It takes a while to be deprogrammed!

The world does not need saving, actually, it really is doomed. If 'stupid man' does not destroy it sooner it is slated to die out in a couple of million trillion years. So don't worry about the world, it is a fireball

heating up daily to the day it burns out if the sun does not beat it first. Then LIFE will start again I hope, but we may not look like anything 'human' again.

So, what needs to be saved?
Me!
Oh, bullshit! Another lie I have to overcome!
There is nothing wrong with me! I am not God's sinner! Or man's infidel fool! I love life but I see no real need for life to continue, this is more automatic than nature.

I don't want to have a baby or a family or even a wife for that matter. That does not make me queer, gay, bi, faggot, strange,...it makes me me and I don't have to explain my life to anyone! I overcame the fear of BEING alone, of 'dying' alone! I always was alone for that matter. Being 'part and parcel' I was alone. {an environment, body, or limited mind}.
I am WHOLE! And being Whole, I am never alone! {a Spiritual Being {SP}}.

Label me if you like or get pissed for I carry NO LABELS.

They are a trap, a box, for easy judgment and comfort of mind. Forget 'their judgment and ease of mind.'
The day you figure Me out is the day Jesus will return to earth. Haaaaaa! For I am not only Infinite, I AM Eternal, how can anyone know or understand or use up ALL OF ME!?

Wonder why there is so much fighting and family break-ups? The BIBLE creates a world of sinners and then prophesies that this is the way it was, is, and shall be.
Not knowingly, these are 'curses' lay on man and mankind and in this case especially the family of man.

Luke 12:53: The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21 "Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death. [This one is a given with Jewish communism, where many children were brainwashed into turning their parents over to the so-called "State" to be put to death]. Matthew 10:35 For I have come to turn "'a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law- 11 The above is only a very small portion of where human focus and energies have been going for centuries. It doesn't matter whether a follower has read the Bible cover to cover or is even familiar with its contents [as most people who follow such depravity are not], he/she still connects with

the energy and with more available information regarding the human mind, and one can see this is a fact.
What one thinks, believes and the energies one ties into and identifies with determines what one is and where one is going in life. In addition, even those who reject the Christian and Islamic programs or who are non-believers are affected, as the mass mind is powerful enough to influence the world. The mass mind is more powerful. Both with Christianity and Islam, the focus is on suffering and death. Followers live for their death.
The only true way out of this is Mastery of the Mind.
One sees God as the Self, His Higher Power within!

GOD GAVE HIM THE GIFT OF GAB!

Why is it God gives to some and others he does not? God plays favorites!? Haaa!

If anyone reads the Old Testament with a RATIONAL mind you can plainly see that God is a tyrant bastard of the worse kind. If he was my father I would drop his ass like a hot potato. Wait a minute! I fucking DID! Hail Satan! Hail Lilith! Hail Me! Hail You! -sos9999

IS YOGA GOOD FOR SATANISTS?

You bet! But again, we find that some people have taken this to an extreme like putting a string in their nose and pulling it out of their butthole. Or fasting for 20 days to purify the mind and body. Or sitting in one position till your ass goes to sleep to find 'oneness with God or Satan or the Goddess}. Or worse of all to me- celibacy. were being holy means I never had the joy and pleasure of fucking in my life-what a SACRIFICE! What a virtue!

Sex control like self-control is needed in life. To think 1000 dicks up your ass or in your mouth are finally going to satisfy you is as bad as being celibate. Both, in my opinion, are insane EXTREMES that harm more than help.

Satanism is supposed to be a RATIONAL religion or philosophy. That is one of the main reasons I am a Transcendental Satanist.

Let LOVE and REASON rule the earth.

To me, a sexy sex partner is a HEALTHY sex partner. He doesn't have scars from being whipped or look like the walking dead skeleton from too much fasting. He does have an oversized dick from too much pumping and an asshole that looked like someone drove a truck through. Or a mouth like Mick Jagger {my bad!}.

What I am saying is that you have the right to do as you like and please, you can be constructive or destructive with your life and body. But don't tell me I have to accept or like it. Satan might, but I am not Satan! You don't have to be a freak to be gay, or some sex-crazed manic or a burnt-out sex slave. A nice guy who likes to have sex with

other guys is normal if you are into it, no weirdness needed or necessary.

FOR GOD and SATAN ARE ONE and we are 'one with Satan'!
In Transcendental Satanism Satan is seen as the second power of God and we can be as Satan as Sons of God or better yet Sons of Satan.
If God is Impersonal, then Satan is personal. Unlike Jesus, you can be 'one' with Satan and you can have a 'private' relationship with Satan or one of His Demons or Demoness.
Because we see ourselves as the Superior Energy of Satan we are NOT 'created beings' but the 'energy' of the 'Energetic'!

This is what is meant by the Transcendental Satanist. We can transcend the world, body, and mind, and be 'one with Satan or God.

Satan reminds us we are SPIRIT, MIND, BODY, and ENVIRONMENT!

And we can operate as Spiritual Beings on anyone of these levels-the Spiritual level being the best position.

Satan created this world and everything in it for Himself. Since we are the expansion of Satan we are able to enjoy this world as

individual human and spiritual beings. Yet those who know the NATURE of Satan can become 'one with Him in consciousness and live an easier and better life.

For this reason, we call ourselves the SONS OF SATAN. You do not have to have such a title but we deem ourselves EXPANSIONS of Satan's Energy or CONSCIOUSNESS, we are not 'created beings of God'. God and 'sinner' are ONE!

We are the Sons of Satan!

Time! Time again?
I look at it and wonder if I have enough?
So many plans but not one done deal!
Having fun up here in heaven alone,
Not so alone.

“The Void is not void to those who know.’
In this Eternal vortex, all my
Desires fulfilled, I do not want.
All is here, Look, Think, Be!

I love Satan, the Satan before man and mankind.

The One that is always conscious of me.

The One that is the Me of me.

He loves me and loves the victim.

He loves me and loves the victor!

He is the secret and the silence of

That secret.

He is the Unknown KNOWN!

The unmanifest, MANIFEST!

The unseen, SEEN!

I love Satan, the Satan before man and mankind.
The One that is always conscious of me.
The One that is the Me of me.
Magical and Psychic Results in the physical world are only temporary.
The Physical world is only temporary.
And so are you.

What people do not understand about consciousness is that consciousness cannot stand alone. It must be conscious of SOMETHING!

So it is the afternoon. Kinda of hot but I have been feeling more 'whole'

Each day. I still twist and turn from the so-called Arthritis, but I also have two tumors on the left side of my head that makes me constantly think of making my physical body MORE comfortable!
I elude PAIN and seek SPIRITUAL GAIN!

And what is spiritual gain but a more comfortable material existence? I am healing my mind and body by allowing it to move forward to KRISHNA!

For KRISHNA is the SOURCE of all sources and the Cause of all causes, and the Effect of all effects.

Everything that moves or doesn't move, seen or unseen, manifested or unmanifested is KRISHNA!

What wonderful NEWS!

We concentrate on KRISHNA for we are KRISHNA in part and parcel or body and mind. We are the PSI BEING.

The PSI BEING is not created by any god but is the EXPANSION of God's SUPERIOR ENERGY of which there is only ONE!

When I speak I say, I am surrounded by and in the Superior Energy of KRISHNA.
KRISHAN would say, "Nothing is greater than Me or equal to Me! Yet, you are one with me in part and parcel, what can you NOT BE, DO, or HAVE?

Open your eyes and you see Me. Close your eyes and open your Mind's eye and envision Me!

I reveal and manifest Myself to thee in my eternal and transcendental form. For I AM the Source of all forms and forces.

This is SOUL CONTROL!

TK Transcendental technology and consciousness!

Also known as Satan's Consciousness!

Transcendental Consciousness! Conscious of the Whole and beyond: KRISHNA CONSCIOUSNESS!

For even Satan and the fictitious Jesus came AFTER KRISHNA, as all things known and unknown, do, and and will!

I am in KRISHNA and KRISHNA is in me.
KRISHA does not move but moves all things.

He has no senses but controls all senses. Therefore, all SENSES are of KRISHNA.

KRISHNA is the sixth sense, the PSYCHIC MIND.

I wake up and my mind is thinking,
My body hurting here and there but better.
My body, not hurting at all-I am transcended!

This is the Eternal Consciousness of KRISHNA!

Being the highest consciousness there is, I can rest in ETERNAL PEACE even while active in the material and mental worlds.

This whole world is under a black magic spell.
A very evil and deadly one.
It makes the atomic bomb look like a bullet wound.
But I am unaffected. Un bothered. Not concerned.

I FEEL THE FORCE!

IS THERE A REAL GOD?

So I am afraid, wait-a-minute, Freudian slip, I am HAPPY to say that when I speak of God it must be asked well is God real or not? Or you atheist or theist? And if there is no God, how are we gods? Why do I do this to myself?

So, let's go one step at a time.

Q. Is God real or not?

A. Matter of opinion. 'God exists or doesn't exist depending on how one defines the word God or not.' This is the very first axiom in my science of soul book MetaPsychics.

“God You can't say God doesn't really exist for people to create and re-create Him or Her or It every day. Praying is a form of 'creating God'. Jesus is nothing more than a re-creation of a recreation of a creation and so on.

But Jung gives us the rational answer to this question when he said that 'God and the Devil are the Archetypal images of what is absolutely right and wrong, good or bad, moral, immoral.

But then again we are looking at a very limited definition of God, and another reason I don't like to use the word for the word God has become convoluted.

We know God is not some guy who goes bowling on Saturday night and thus we have thunder {there were tribes of people who believed this and what if it thundered on Thursday?} and we know God is not some evil sadistic Tyrant waiting to judge you at the end of your days either.

So in short, God is only as real as you are. For the ultimate reality is not any God but you.

God didn't create man, man created God.

Q. Am I an Atheist or theist?

A. Now this answer is going to annoy a lot of people who would like for everything to be in just black and white.

I am both, and to be rational AND be creative you would have to be both.

The two go together like Campbell's tomato soup and saltine crackers.

An atheist must depend on at least the concept of the word God to have any existence at all and the theist must understand that the 'word' water never made anybody wet.

Q. Are we gods are not?

A. We are gods in the sense we are our own Masters and need no Superior Being or Force above or below us. Some like the SATAN-FATHER ASPECT, some see Satan as a Close Friend, others a Symbol of Nature and man, to others the Universe and others the mind or Mastermind-in short,

You are the Creator of your universe and mind and body, your emotions and ego-what you do with them is your business after all you are your own god and will rejoice or suffer accordingly. Cheers!

Here I am again. Got $40.00 from my neighbor for electricity. She is nice enough to help me, she is kool, I judge her not, but her

boyfriend/husband well, heee, I judge him not either and he got respect for me, Kool, I got respect for him.

I am a Transcendental Being, I realize this now and it will neve be fully known to the public.

Satan Philosophy

Satanism is more of a philosophy than a religion.

The Christian world is a sinful world of sinners that need Jesus to make them better or good or 'saved'. After all, 'Ye are of your father the devil,' and so on.

Why do you NEED Jesus to intervene for you and God?

Well, you are just too fucking 'sinful'! So WHO created you, Jesus' God or the Devil?

And did not Jesus say, "We are a 'generation of vipers?"

So we have a very sinful world full of sinful people doing sinful things and only un-sinful Jesus can save you and the world, right? So two thousand years later the world, even as the Christians say in my own words, 'Is still FUCKED UP! And they remind you it is even getting worse! Haaa! So what the fuck is Jesus doing or God for that matter? Or are the Muslims OK and the Christians just have to wait for the rapture as the world goes to hell?

In Satanism, you actually have a positive world and you can be your own 'god' and by 'god' we mean 'master' of your life and destiny. As Abraham Lincoln said, 'the best way to predict the future is to create it. Not have it been created by some lame people who wrote their versions of 'holy books about God and what God will do to you if you disobey.'

This was seen as every tribe had their own 'version of God, the Universe and beyond', and was forced to worship the one Jewish God as all gods.

Now, even in our heads we must worship ONE man as God or go to hell so to say and be out of fellowship with God.

Not so with a Satanist. Philosophy is basically a personal view of an objective state of being or existence.

It is creating your own universe even as the writers of the bible created theirs and had it forced on you as YOUR's.

Not so, being born into a sinful world does not make one a sinner to be saved. And never-ever so for a Satanist.

Saving Myself

Ha! How can I save Myself?

I very well cannot!

I can ask it what to do,

WIll it answer me true?

Is this the God who watches over me?

Is He Space and TIme eternally?

If He is Lord,

What was the purpose in creating me?

Is myself an illusion and
Have no reality at all?
Or is it You in your
Illusionary hall?
Are you here to do my
Beckon call?
Or am I in heaven
About to fall?
They tell me to have no doubt at all,
When doubt is all that ‘s left installed!
How can I save myself if God is all?
Who is there to save,and from what
Am I saved from?
I feel so much more empowered,
‘Still have it all to do!’
Save myself?
From what?
The hell I was taught since I was a kid?
The one we cannot believe in anymore as fire and brimstone, but a real state of mind of enslavement and misery.
What can I be but myself? Myself?
Silence I watch myself-matter and energy!
The Space/Time Being who never moves,
Move all things!

MATTER ENERGY.

Me!

That Space/Time Being Satan!
For surely he has a beginning

and no end!

Yet God is Eternal and Absolute!

Ask of Satan and surely He will give to thee,

If you are prepared to receive it!

His infinite Strength is ours!

His infinite Beauty is ours!

His infinite Fame is ours!

His infinite knowledge is ours!

And

His infinite Life {actions} is ours!

Saving the World.

So afraid!

So alone.

I embrace my fear!

I embrace my aloneness!

And suddenly the fear is gone!

Now a hero is one who stands alone

Knowing I am never alone.

I got myself and Myself is the whole and the part.

COVID-19 Too Soon?

So here we are with the big bad Virus. And Oh-My-God he is not taking this very seriously, look at the rising death totals

How can he be so callous and unfeeling?

And I say Media Scare Tactics. Why should I be afraid? They have not found a cure for this virus in the best laboratories, so if I get it which I hope I don't, what the HELL am I supposed to do about it? It would be just one fucked up circumstance. I am not trying to play down this Virus however, this is one of the worst global disasters to hit mankind in a long time.

But I see so many people OVERREACTING to this Virus.

One thing a Satanist knows is that 'people not only have to die but MUST!" This is not an excuse for this Virus caused by man and most likely Trump and His band of Thieves than any God for those Christians who are going to scare the shit out of their congregation even more for more ching-chang in the basket. I really don't know how bad this thing could get, and I really don't care. I still do the same healthy things I always did and increased some of them because of this Virus. I don't want anyone to get it or die from it but that is not my call so I am not going to over 'depress' myself over it. And lastly, I

see more and more how T.V. controls us more not by what is being said, but by what is being FELT. The whole Country is moaning along with Trump, who probably started or knows who did this shit in the first place. In the end, it will come down to dollars and cents not who left the planet. It is almost midnight and all is well with me on the PSI level, my mind drifts back to memories of 'I wish I had not done that , but glad I did'.

My Best friend is with me, always with me silent in repose and watching me and I work, play or rest.

My emotional content, physical objects grabbing my attention

Mother Nature would have it this way.

What I want to say evades me as fast as the words go down on paper, and I want what I have and have what I want.

I do what I love and love what I do. But who is the one acting the nobleman or fool?

You do Satabn! Being both Divine and Physical.

The Psychic Mind is your domain!

The Playing field.

For there is The PLAYING FIELDS

Of the Universe,

Of the world

The body,

The mind,

The spirit.

There is no creation in the PSI SPACE/PLACE.

For man goes from

IGNORANT to

Ignorant/Passion.

To

PASSION, to

Passion/Goodness

To GOODNESS to

Goodness/Better

To

BETTER to

Better/Best to

BEST!

The problem with the bible beside it being one of the worst books ever written is that it condemns you in the name of God to save you. Why we have to suffer because some man 6000 years ago disobeyed God is beyond me. It is like in the military when one guy fucks up the whole troop goes to 'Happy Hour' and we are not talking drinking here! I wonder where they got that idea from?

The fact God fucked up man in the Old Testament and repenteth and fucked up man in the New Testament by not giving him enough glory

for we all fall short is his fucking fault, not mine! Why the hell should I suffer for what the Almighty fucked up?

This all amounts to false guilt and horseshit.

The bible written by many men is man's word about God, not God's Word about man. One is sane, the other insane.

I chose to be sane regardless of how I was kicked out of my family, most of my old friends are no more and shun me and a lot of people are just plain scared of me. So I am sure you walked down this lonely road too.

But that is why I started this Church so we can have a God who loves and does not hate us. Who is real {FORCE} not imaginary. Satan/Lucifer which stands for FORCE {Love and Joy} and WISDOM {knowledge}. As one fraction of Him.

And I am glad to have you here and hope we grow closer and more powerful each day. Cheers! -sos9999

Has a horrible temper.

Quit being a victim to any God, anyone, and especially YOURSELF!

It is as much a sin to do something wrong, as it is NOT to do something right.

And what about the Christians and Muslims who do not break the law and try to live a good life? Good people can be religious, but religious people can't be good people. So, you find a lot of Christians who DO FUCKING NOTHING BUT WORK or GET GOVERNMENT MONEY AND DO NOTHING BUT PRAY for Gebus will straighten it out someday, we will go to heaven someday, our enemies will be destroyed in hell, someday, we will reign as kings and queens SOME FUCKING DAY, but never TODAY!

They are really the worst. For injustice is in front of them, criminals are taking over families and Countries and they think fighting 'evil' {as in all man-made religions} is to down brow all that is not in their holy books or DISAGREES with their holy books.

People say they live by the Word of Jesus or what the fuck he said, or his Teachings, parables, which he never wrote or said and very few do very little about the real evil in this world they are creating and not knowing. The left-hand does not know what the right hand is doing as their holy book reminds them and the Preacher/Teacher programs into them every Sunday. They are parrot robots! Parrots don't need a lot of gray matter to think or mimic words. They are like the cameraman watching the other 'Christians and Muslims who break the laws} RAPE a woman and KEEP FILMING! Or some put the camera down and walk out. And others shrug their shoulders and

pray Gebus comes and 'saves her.' But they do nothing NOW. This is extreme but thus the evil sinful world continues and gets worse and unless they also DO something NOW instead of hiding their head in the sand, and waiting for Gebus to DO something later, we might have a better world, but NO! Doing 'good' in Gebus name is NOT good, doing good of your own heart is.

They see only a black and white world. Good and evil.

'Our Good and "The Truth" to your 'Evil and "You don't have the Truth!"'

To my Sane world to your evil crazy world.

Too If there is a God there as GOT to be a DEVIL of equal and quantitative force.

And this one world, one vision, one dead old written memory RULES the world...for most! You got to see and only see ONE thing and it's the opposite. That is a very, very limited mind.

So cast an evil eye at me for being such a FB ham and kiss my ass! Your Game stinks! Always did and always will. Not a nice place for children and other LIVING things before you force them into corruption, I included.

I don't play the same games you play. I don't play that GAME at all! And I will do everything I can to destroy this evil world {the demon minds, not the people}, EVEN if it destroys me in the process! Cheers! Have the Best Day! 3:)

I AM GETTING OVER MYSELF.

I am thinking, I am this fore in man and nature,

I look out with my Mind' Eye at the objects in the world. I learn to see the difference.

I can transcend this world, body and mind. I can enter into another planet, tree, herb, anial, plant, or human at will.

I am smaller than the imagination, but it takes the Mind's Eye to see me, for you cannot see Me unless you create me as something to see.

But the thing you should see is that I am you as YOU ARE!

You have the wonderful opportunity to develop your physical, mental {psychic}, and PSI {spiritual/transcendental} skills.

I AM GETTING OVER MYSELF.

I am thinking, I am this force in man and nature,

I look out with my Mind' Eye at the objects in the world. I learn to see the difference. The Force behind the Forms!

I can transcend this world, body and mind. I can enter into another planet, tree, herb, anial, plant, or human at will.

I am smaller than the imagination, but it takes the Mind's Eye to see me, for you cannot see Me unless you create me as something to see.

But the thing you should see is that I am you as YOU ARE!

You have the wonderful opportunity to develop your physical, mental {psychic}, and PSI {spiritual/transcendental} skills.

PSI ENERGY is the highest and most powerful energy known to man at this time.

PSI ENERGY consists of anti-mater, dark matter and dark energy which is the invisible energy field behind the entire expanding and contracting universe.

AS far as we are concerned the Universe is a gigantic living, breathing thing and will come to a complete end one day.

But don't worry we are talking billions upon billions of years, we hope.

PSI ENERGY is also Spiritual, Psychic, Physical and Cosmic Energy.

The five levels of CONSCIOUSNESS of the BRAIN:

BETA

ALPHA

THETA

DELTA

and

GAMMA WAVES essences is PSI ENERGY.

There is only ONE PSI ENERGY or The PSI ENERGY is one of which the other 'energies' are many.

To properly use the PSI ENERGY one must know KRISHNA.

For KRISHNA is the SUPREME BEING and PERSON and PERSONALITY and POWER.

All PSI POWERS are KRISHNA EXPANSION of PURUSA.

So many people are trying to silence me, telling me how I am not important when they are only talking and doing this shit to

themselves! Haaa! I pity them not! Satan comforts me. He is with me when all abandon. He gives me what I need and want without bullshit. He sees the stupid man who tries to rob me of my infinite happiness and power. But they can't so they strike out and run. Run rabbit, run! You'll never know or have what I have and I will never tell you.
-sos9999

Some people just ask for you to punish them. Don't do it! They are looking to silently 'blame you'. Don't give them what they want at all!

It is the Satan Hour for me-midnight!
I am listening to a chant for Lucifer!
It is deep and compelling!
I like it! Like being in a deep cave of your mind.
Surrounded by Satan's Infinite Love and Joy
I desire no more but Myself!
I sit as the KIng of my Palace.
The god of my domain.
The Prince of the earth's elements,
God of the sane and insane.
I rest in the love and joy of Satan,

All is good, I have no sanction!
Let the good times roll
Even if only in my mind-
I'm not the kind of person
Who likes to waste time!
My life will be like that!
Let the illusion of pain
Go away the delusion
Of being alone
When I am in my
Eternal home with You!
You my lover and Master.
What would I not do for You!?
For you have been with me from
The beginning and will be with me
In the end. Is this the end now?
I celebrate and dedicate this HOUR
To You!
You raise me from the dead!
Death earth with its Dead people.
The Walking Dead: Christians! The biggest
Liars on the planet! Believe them NOT!
For they have altered my Holy books and corrupted

The earth with their curses and dogma! Claiming ONLY to be God they deceive many!

Don't let them put you under their BONDAGE called DUTY TO CHRIST. It is a DEBT you never incurred but are FORCED to pay!

Don't let their FALSE GUILT bother or influence you in ANY way! You got your OWN MIND, USE IT!

AUM SAT TAT!

Your black skin is a reflection of me in the entire physical universe!

Your mind is your soul! I am your SUPERSOUL, the power of your SUPERMIND.

Though I am Satan! I am Lucifer! I am Lilith! I am Beelzebub! I am still KRISHNA! For KRISHNA is the SOURCE of all things seen and unseen, moving and non-moving.

GET UP AND MOVE! I am SATAN!

UNLIKE ALL OTHER GODS I AM NOT CREATED BUT SYMBOLIZED.

I AM THE FORCE BEHIND MAN AND NATURE AND THE FORCE AND FORM OF THE UNIVERSE.

THERE IS NONE EQUAL TO ME OR ABOVE ME OR BELOW ME.

EVEN 'NOTHING' IS WITHIN ME.

I AM THE SOURCE AND POWER OF ALL THINGS!

YOU ARE MY TRUE DISCIPLES.

YOU ARE MY NATURAL SONS!

ASK OF ME AND I WILL GRANT YOUR WILL!

THINK OF ME AND I WILL FULFILL YOUR DESIRES.

LOVE ME AND YOU LOVE YOURSELF AS GOD.

IF YOU BELONG TO ME, AND EVERYONE AND EVERYTHING DOES, YOU CAN CALL YOURSELF A SON OF SATAN!

MY SEVENTH SON WAS SET.

MY EIGHTH SON WAS CRUCIFIED.

MY NINTH SON SPEAKETH TO YOU NOW.

HEAR HIM WELL!

Gayness and The Male Perspective

Gayness is still considered OK but fucked up. That's right. It was less than 50 years ago 'gay' or 'homosexual' was considered 'sane' instead of 'insane' behavior. In a sense, gayness is not considered 'psychotic' no more, however, a lot of gay people would make you believe otherwise, gayness is still at the neurotic level as far as modern Psychology sees it. A lot of gays are still mentally ill but can exist in society but only as one identity, female.

Now I am not saying all feminine gays are crazy, what I am saying is that it is found that the highest number of gays that rate insane were effeminate in their demeanor and physical actions. And I think this

has become a stereotype, an either/or sort of thing which is another way of control.

And I find too many stereo-typed gays.

The stereotype that only a woman can love and have sex with a man, makes male to male sex almost impossible. One person seems to have to take the feminine role as if being a man is taboo. And in a sense it is! Men had freedom of old that is almost impossible today due to the advent of Religion. So what I find is that a lot of gays lack self-discipline and self- love. Religion teaches self-discipline by fear, a sane person practices self-control or self-discipline through loving himself as he is and or wants to be. So many gays act like 'girls just wanna have fun', and the masculine part of them is dead or on vacation. To be gay is to be a woman is a stereotype too. A man can be what he wants and he says, 'Well, I chose to act this way and fuck you!' Which is his right, but there are men who truly love men as men and like to have sex with them as men, not their mother reincarnated. Sort of like the Greeks of old but even older-this kind of love is not gay but TABOO. Yeah, I got a TABOO LOVE for I don't want a chick with a dic, that is for those who like trans.

And if you like effeminate men no problem there either. I am just saying, putting all gay men in one basket is fucked up, And gay men who think we all got to act like Peter Pan and Tinker Bell need to upgrade their brains also. I don't hate men or women and have some empathy for most. And a lot of fun sex is role-playing. I think even straight marriages would improve if the guy played the wife/mother and the woman played the husband/father, but being stuck in one role only should be a choice, not a prison sentence.

Cheers -sos9999

-SATAN'S DREAM-

Satan is dreaming a dream-

Dreaming a dream of you;

And you are the star of the show

In this movie called LIFE.

You play the Role:

Son, Father, Mother, Daughter,

Worker, Player, Good man, Bad man

Husband, Wife, you play the role

The one that suits *you* right!

Satan is love, Satan is might!

Satan dreams of you tonight!

Too Soon? COVID-19.
So here we are with the big bad Virus. And Oh-My-God he is not taking this very seriously, look at the rising death totals
How can he be so callous and unfeeling?
And I say Media Scare Tactics. Why should I be afraid? They have not found a cure for this virus in the best laboratories, so if I get it which I hope I don't, what the HELL am I supposed to do about it? It would be just one fucked up circumstance. I am not trying to play down this Virus however, this is one of the worst global disasters to hit mankind in a long time.
But I see so many people OVERREACTING to this Virus.
One thing a Satanist knows is that 'people not only have to die but MUST!" This is not an excuse for this Virus caused by man and most likely Trump and His band of Thieves than any God for those Christians who are going to scare the shit out of their congregation even more for more ching-chang in the basket. I really don't know how bad this thing could get, and I really don't care. I still do the same healthy things I always did and increased some of them because of this Virus. I don't want anyone to get it or die from it but that is not my call so I am not going to over 'depress' myself over it. And lastly, I see more and more how T.V. controls us more not by what is being said, but by what is being FELT. The whole Country is moaning along with Trump, who probably started or knows who did this shit in the first place. In the end, it will come down to dollars and cents not who left the planet. Hail Satan, Hail You! Have the best day!

July 2nd 2020
What if this was my last day on earth it certainly is my first!

I got up less pain than ever before but acting upset with what my brother seems to be doing. I know he does not do it directly, indirectly and I am no saint, I make mistakes too. But this is an ongoing thing whereas I am stripped of power in lieu of the bible and big bad momma who speaks it!

I and I suffered silently spreading the Word of Jesus or God, for the Bible is God and Jesus to Christians and the only way is The Jesus Way. Well, as the years went by I saw more and more the fallacy of my religion and how everyone in my family was Jesus bound being mostly girls.
I made a statement that I was atheist when I was nine years old and this black girl in my class read me up and down telling me how she would fear a man like me when her hateful look on her face. I never said it again.
And I went to Bible college and memorized nearly every verse in the bible, you know 'write the word in your heart' and all that good shit.
Next, I prayed without ceasing, I mean I literally tried to pray all day and all night.
So there is this Jesus side of me who loves all and wants to serve God and man and my secular side as they called it that wanted to go out and fuck women and play around with men!
I had my doubts about God anyway since He never stopped or retaliated against the Holocaust.

And how can God be a 'jealous God' when jealousy is basically a 'sin' to man in the way of 'envy', 'don't covet thy neighbor's wife?
Of course, you didn't question the bible or God's Word; it was infallible. If you read it with even a little bit of rational sense you see it was far from infallible.
In short, it is safe to say the bible is man's interpretation of what he calls God and God's Word and not God's Word to man.
Another quick point I want to bring out here is that over 60% of the world today is illiterate. How many people do you think were illiterate 2000 years ago? Let's just say only about 3 % of the entire population could read or write and the holy scriptures were kept in the Temples {Churches} and read by only the Priesthood.
So any books of the bible were not written by common fishermen like Peter, Paul, and Mary! Oops! I meant Matthew, Luke, Mark, and John. These books were written by Priesthood scholars already in the 'business' of selling God to a sinful Nation.

08/30/2020
I need my own and have nothing. All this Spiritual Stuff, who understands but me?
No one is talking on either end. Which way do I continue as my very life runs out?

Never gonna have it the way I want it, just waiting to die, or waiting to try?
Energy fading, mind evading, life is waiting
Is it here too soon?
Help me Lord Satan,
I'm floating again!
Let not this life defeat me,
Even when I lose I win!
Thank you for the Power,
And thank you for the Knowledge
Help me to remember
It is all in my head
I should be in bed instead.
I deserve 10 million dollars!
I deserve good friends!
I deserve to see my enemies fall before me
And watch them suffer too!
So thank you for the ride and thank you
For the sign.
Be with me as I know, give me the increase
Of money to make a better show,
For only YOU know.

All are subject to You, those who know and those who do not know.

All who mess with me, Mess with You.

As above so below
What goes up

Also go low
What is without
Is also within
What is center,
Also surrounds.

Our school is growing fast! Thank you! I think first of all Satanists are more rational people and have the guts to stand up against the TYRANNY OF RELIGIONS!

But now I find that there are many sects of Satanism also and I am for and against this for you have Satanists who are only 'reversed Christians' and want to make Satan the evilest Devil according to Christian mythology who also calls Satan the Accuser and Ultimate Opposite of God, in which God is good no matter what the fuck He does.

The Church of Satan has a lot of idiots like this and I oppose them. They are ignorant of Spiritual knowledge which Satan brought to earth as The Light of Lucifer and they make a mockery of Satanism as far as I am concerned. SATAN is Divine!

And I have met some of these jerks first hand so I am not falsely judging anyone.

I found Satanic groups who still do animal and human sacrifices and to me this is an injustice to Satan also for it was the God of the Jews

who did animal, human, virgin, and baby sacrifices to appease their God.

A God like that I don' fucking need! To me, that is NOT of SATAN either.

THE FIRST SCHOOL OF SATAN is based on several works on Satan and we call Mr. Anton La Vey the FATHER OF MODERN SATANISM, but we are NOT LaVey Satanists though we welcome all here.

We use a lot of Mr. LAVey's work but we don't stop there for there really is much more to Satanism than LaVey printed but he definitely is the Source of rational Satanism and would like for all members of The 01 School of Satan read it rather you agree with it or not.

The fall from Grace by Satan from heaven is a Christianized version of Satan and they always paint Satan in a negative and evil light to accent their hero J. C.

I damn it all.

So let's start here. Here is a copy of the Satanic bible if you have not read it and next time I will tell you what we agree and accept and what we left behind.

Have the best day! Hail Satan! Hail Lilith! Hail Me! Hail You!

-sos999

Thanks!

JETHRO, the first Wizard on earth over a million years ago!

The True the Name Satan was derived from the worship of the planet Saturn by early Africans! This small tribe of people were the first SATANISTS! The Black Sun came from the fact that Saturn at that time, million of years ago was so close to earth that the actual Sun we see today was blocked out by this massive planet Saturn.
The African tribes on earth thought it was the Sun and worshiped it as The Supreme Being {ness}.

This is also where we get the name Lord of The Rings, and the name Satan! This is the true Satan and His vibrations from Saturn still are stronger in the earth today than ever!

Yeahhhh! Hail The Black Cube! The Black Sun! This is not the DEMIURGE! That is a Catholic holy lie! Cheers! Hail Satan, Hail Lucifer! Hail Lilith! Hail You!

Satan stands for independent freedom and responsibility. You are a god of God.

Are aliens real or memorex?

In 2026 NASA is going to launch a drone to some moon to look for water which is common to all life as we know it so far. The elements that make up our life or ANY life came from the explosion of stars before that the elements of life did not exist except for three hydrogen being one of them.

So even if we do find life 'out there' as you say, to me it is not ALIEN, it is the same LIFE we have-Black people were the first people on earth, life may not have originated on this planet-we very well could be the aliens you are talking about.
White history tries to make the white man first in everything and that is white supremacy. It is a falsehood. Destroy it by any means!

No, no alien life forms, so whites can say they came from the stars and tweeted the monkey man-this is all horseshit and a rabbit hole I do not wish to enter.
LIFE found anywhere unless made up of other elements than our life is our life and yours, not alien.

Now we get to the 'God said let there be light' and the Garden of Eden where everything was God-perfect till man through woman fucked it up.

Oh yeah, and God said EVERYTHING was good!

BULL!

Chaos was here before order.

It is WE who put ORDER to the chaos. Look at a garden or a house, that is order.

To think that all was good and perfect in the beginning can't help but make you think that you are the fuck up, not the God and bullshit book that said so!

Knowing I evolved from a worm gives me more leverage than believing some God who made all things good in the beginning, fucked up when he made me or simply made me inferior to Him or Her or It!

And then has the nerve to say "I fall short of His Glory" when the asshole made me that way in the first place. Not to mention he fucked up man in the Old Testament and his way of taking responsibility for his actions is to destroy all men but a few?

How does a perfect, infallible God make a mistake?

There is more to this but this post would be a book.

The main point is the bible gives you this false reality and beginning that perpetuates the misery and sorrow and insaneness we see today. You tell somebody on the streets that and they will call the men in white suits!

My body is an evolved worm, a zygote that THANKS SATAN made it this far and plans to go as far as I can! I hope you are here to travel with me, a person of my caliber doesn't have many friends. -sos9999

The problem with the bible beside it being one of the worst books ever written is that it condemns you in the name of God to save you. Why we would have to suffer because some man 6000 years ago disobeyed God is beyond me. It is like in the military when one guy fucks up the whole troop goes to 'Happy Hour' and we are not talking drinking here! I wonder where they got that from?

The fact God fucked up man in the Old Testament and repenteth and fucked up man in the New Testament by not giving him enough glory for we all fall short is his fucking fault, not mine! Why the hell should I suffer for what the Almighty fucked up?
This all amounts to false guilt and horseshit.
The bible written by many men is man's word about God, not God's word about man. One is sane, the other insane.

I chose to be sane regardless I was kicked out of my family, most of my old friends are no more and shun me and a lot of people are just plain scared of me. So I am sure you walked down this lonely road too.

But that is why I started this Church so we can have a God who loves and does not hate us. Who is real {FORCE} not imaginary. And I am

glad to have you here and hope we grow closer and more powerful each day. -sos9999

As Yeshua {the first son of Satan} said,

“I am The GateKeeper.
If anyone enters through Me, he will be enlightened. He will come in and go out and find peace. The thief comes only to steal and kill and destroy. I have come that they may have life, and have it in all it wholly.” Translation: *(John 10:9–10)*

Gayness is still considered OK, but fucked up. That's right. It was less than 50 years ago 'gay' or 'homosexual' was considered 'sane' instead of 'insane' behavior. In a sense, gayness is not considered 'psychotic' no more, however a lot of gay people would make you believe otherwise, however, gayness is still at the neurotic level as far as modern Psychology sees it. A lot of gays are still mental ill but can exist in society but only as one identity, female.

Now I am not saying all effemnine guys are crazy, what I am saying is that it is found that the highest number of gays that rate insane were effeminine in their demeanor and physical actions. And I think this has become a stereo-type, a either/or sort of thing which is another way of control.
And I find too many stereo-typed gays.

“God, conquered, will become Satan; Satan, conquering, will become God. May the fates spare me this terrible lot; I love the Hell which formed my genius. I love the Earth where I have done some good, if it is possible to do any good in this fearful world where beings live but by rapine.” – Anatole France, *La Revolte des Anges*

Susej said:

“Neither death nor life, neither angels nor principalities, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of Satan-God that is in His Son Yeshua, our Lord.” *Translation: (Romans 8:38–39)*

Look I can tell you about the devil and the devil is not Satan as his book the bible says. The Devil mixes truth with lies but mainly the devil here is many interpretations of what is called the bible. For instance, it said that God made them male and female. These are two of the same power, no one is superior to anyone. Then you have in another part of the same book God taking some rib out of Adam and making a female-WTF? No, the two stories do not go together. On talks of equality the other of inequality, they are two different writings from two different authors and the last one sucks as it is ridiculous and makes stupid slaves of women to men. That is mixing lies with truth and then mixing them again into some deformed pie called Christianity or any other fucked-up man-made religion made for his benefit of course, not God's! Satan-God needs no money, sacrifice or death. That is The Devil's book, and has nothing to do with Satan.
-sos9999
It was not fear that brought me to Satan. But the hypocrisy and the hating and the lying I saw all around me as a Christian. And I felt isolated anyway. I noticed being a good Christian meant sitting down and shutting up while some other person told you his line of bullshit that you had to swallow no matter how BIG the fish was. If I had any

kind of problem it was always my fault if it was bad and God's grace if it was good. I was turning into a monster! Everything I did was a sin! I prayed for most of my life, and still, people would come up to me, including my dear sister and say, "Have you accepted Jesus Christ in your life as your Lord and Savior?" Like parrots-on-a-stick!
I had it! This was a three-ring circus and I was the lead clown! And the more I tried to inject 'my views' on life the more I was condemned and told to read the bible which none of these idiots did, they only listened to some preacher once a week in Church.
So, I read the bible. From start to finish. And then I started to research the bible and I read a book on how the Christians would see the unbeliever floating in a river of blood from heaven of all places-like the greek gladiator fights all over again! Fuck! They got their revenge or retribution SOMEDAY in heaven!
Then I read Lavey and my rational mind was restored again and I have not lost it since and in fact it grows stronger and I am still isolated but I rather die alone than with a pack of 'I can only live one suffering way, fools. HAIL SATAN! HAIL LILITH! HAIL YOU! -sos999

This is so kool! The Gay Church of Satan is growing like wildfire! We are the Sons of Saturn actually. At one time Saturn was so close to earth that some African tribes worshiped it as the Sun we see today. And they worshiped it as God the Most Powerful and Eternal. The Duggas were one of them. They called it the Lord of The Rings and of course the word Satan came from the word "Saturn' and the rings around Saturn gave us the Lord Of the Rings. All Gods were first observed as stars, planets, moons and suns. In other words, the ignorance of the Universe was man's first God. And as he acquired

knowledge of himself, the earth and the universe, God began to talk and each man said "Oh MY God!" As if anyone can personally 'own' God, and yes, THE WARS BEGUN, and haven't stopped since. Hail Satan bros!

There was this young father.

He just had a newborn baby girl.
He was full of anxiety and
I looked in on his home life.
I moved things around just a bit.
He believes in ghosts now.
He always did. Now he had
Visual proof.

And my focus is finally on myself
Without guilt or remorse.
How funny to think of my body
More than a minute?
That must be a sin!
But as I cross the barriers of Mind
And State, I am not afraid no more,
I've been here BEFORE!

The Spirit of Satan is here!

Praise be to SATAN!

There was this young mother.
She just had a newborn baby son.
She was calm and full of delight
As she looked on this new life.
She disbelieves ghosts now
She always did. And now
She sees fantasy.

I wake up in less pain
And more movement.
I relax.
I breathe.

I can't write
What should I write?
The pain and hate?
The love and take?
The stupid bitches keeping my family
From me! Yes, no family of mine!

I sit here in pain constantly.
No matter what good thoughts,
Loving people I think of,
Holy men, unholy women,
Saints and martyrs,
Good women and good men
Helping people and people
Who offends.

Only Mary Jane can take
The pain went away from my brain!
It seems like a fucking shame!
Depend on you again!

Oh, to be some of the men I see,
Beautiful men, more beautiful than me,
All with women on their minds and
Bellies full of wine-nice men,
Gentlemen-no they never died.

OK! The Positive set in-
The repetition is sin!
Wait! The death of the minute,
Take the time to fix it!
So much in tune
Hope I die soon!

Funny how the words
Don' fit the tune-

I am of Satan-
I want you to stay here
Stay here with me.

But too many think
They got to leave
Or their final revenge
Leaving me alone again.

Awww but you are gone again
But your Presence is heres
Why do I seek another?
To torture my eyes with?

Haaa, who can stand with me?
You destroy all who enter here
But the SPACE let me make the money
To have the freedom
I desperately need it.
Give me the audience
The one that makes
The difference.
Give me the people please!

Nothing inside makes me happy
No joy in living for me!
Only my worst enemy
Pain and suffering.

Dead to the world
Dead to myself
Going on a Transcendental Journey
All by myself
A Big boy now
No time to cry.

And TIME.
Time is ENERGY.
What I do with this ENERGY
Give it away for you and me!
ME.
MATTER and ENERGY!

Look at me!
Look at me!
Too scared to perform
I know I AM deformed!

Trying to get the thoughts out of my head
A million to one I lay awake in bed.
Wonder what bullshit I said
That got me wed.

So dead inside
So dead.

Death visits me and stays for awhile
Got to thank my Partner
He leaves for awhile
Can I give life
Or can I give death?
Don't try and tempt me
I'll never pass the test!

So I talk to you once again

Lord Satan help me live again!

This pleasing and begging
And straying away
Will you live to see
Another day?

So I talk to you and
You are everywhere
So I was told
So you dare.

There is love in the air.

OM TAT SAT ASAT

Here I am in Satan's Spirit.

Our union is One.
It is done.

The battle won.

I am His Ninth Son.

LIGHT NIGHT OF THE SOUL

What happened and you might find this interesting, is that I was already going down the wrong path and didn't know it.

As I grew sicker each day and I tried to make friends or be in a relationship but couldn't do either, I finally came to a night when all the pain and misery in my life was so great I would have committed suicide. But I knew there were a 'handful of people' who really loved me and it would be really harmful to them if I moved on and I would not do that to them. But that is how somehow all the shit in my life avalanche down on me at one time! I had lost all purpose and meaning in life, all useless and I was the big fat NOTHING! I was terribly pissed that my life no matter what I did result in me ending up in this dismal void without hope of anything ever getting better which included me! So I began to see I had to let 'hope' be gone! What a scary thing!

And this was a real hell! I know other people experience worse hells than this, like the young fellow who was trumped up for just selling drugs and put in a prison in Arizona where the weather is so hot your sweat makes your skin soft and you scratch blood while eating bacteria-infested meat and rice. His story on TedTalks helped a lot, we all suffer too much for dumb shit and the Powers That Be who to me are the real DEVILS in the world. Greedy-Take-All Bastards!

Anyway there I was in my worst hell so to hell with anybody else's hell, the point where you just want to die I think is the same for everyone, and Satan kept bringing me back to life and the knowledge that other things in my life I had created were starting to show also! Praise Satan! I was being reborn again! And I was able to create my own life and happiness and love, etc. Breaking out of a world of sin. A dump! No, Shit! What a shitty place!

I was in possession of my own soul, mind and body and environment. I was at peace and calm and this happened when I told Satan, let me live or die! And that is when I realized the soul is eternal. Jesus cannot die, but neither can Satan or I! So if you want more lustful stuff or other stories let me know. I am glad I can share my experiences with you. Cheers! Hail Satan to me is sort of old fashioned like High Hitler. Even being a Transcendental Satanist, I swear my allegiances to no one, not even Satan. And Satan, my Spiritual Advisor and Best Friend, told me: "That is true freedom!" Until next time....May Satan Bless You Richly! -sos9999

Take a word , label it as everything and anything, add it is Eternal and you have a supreme Being or

Beingness.

You are the Supersoul

Let your spirit roam.

I must claim my position no matter if everyone goes right, I will go left.

If everyone wears white, I will wear black!

If everyone wears black, I will wear white.

Here in my own world,

Should I let you in?

THE BLISS OF HEAVEN IS HERE

And I enter all alone but not alone.

For the Finite man is the Infinite man is the Eternal Man.

The Pain of hell is here also, waiting for me to succumb to the easiest thoughts of defeat and disaster!

Should not the truth set you free?

How come I feel so free?
All I want is without me, within me

Beautiful Energy looking at a beautiful me,

But you are not me,

Obviously.

But a part of me is you but not 'me,'

The SPACE TIME ENTITY!

Satan/Brahma,

Satan and His Place!

SATAN IS INFINITE NOT ETERNAL.

You are an Eternal Being , therefore Satan is at your command as are the elements of the earth, body, mind, and senses.

SATAN becomes your SUPERMIND or THE MASTERMIND OF EVERYONE.

So this Trinity, Does It Really Make Sense?

Christian: "No, no! You don't understand! See you can be a Father and the Son of your Father and a Banker."

"But I can't be *my* son and me too at the same time."

"You're not God and God at the same time."

“Neither is this Jesus Christ. He can’t be a father of himself as a human being unless he creates the Father. And if he was immortal, where is the human sacrifice for all?”

“I’m going to pray for you.”

“I interpreted that as ‘Here is where I get off for it makes sense.’”

The Trinity is not in the original text of the bible. That should be evidence enough that the bible has been tampered with to say the least.

We know it has been written and rewritten several hundred times, like the secret you tell in a circle of say 25 people. As the secret passes from one ear to another by the 25th ear it is completely different from what was originally said. Now put some smartass in there, like me, and deliberately change the secret to meet my goals and desires.

That is your present day bible and will always be used for that very reason by The Powers That Be.

THE SECRET WISDOM AND THE SECRET KNOWLEDGE CAME OUT OF AFRICA. SO DID THE OLD TESTAMENT.

THE NEW TESTAMENT WAS WRITTEN YEARS LATER BY MOSTLY GREEK SCHOLARS AND REFLECTED THE SIGNS AND TIMES THEN.

How is it I waste my time and tears on people who try and do me in?

Who has no thought of me and I think constantly of them? Out of hate? Why do I pretend to care? Most of what can be called a fucking family abandon me and left me for dead.

But I am alive and hope they all die knowing what they did!

Stupid curse of the Nazarene never existed but kills unseen.

Jesus , you're the death of me!

Was it easier being a sinner? I laughed a lot or am I trying to forget the pain and tears a lot?

Satan smiles at me, this illusion you take for reality and it is not the reality you see.

Change your mind and live happily, I created this whole world for thee. The Universe is your Playground.

You are the Son I never-ever would sacrifice!

This telepathic link that we share!

This transcendental Love that is everywhere and yet beyond everything.

You make my day a tapestry of things and people I love to see!

I am learning to depend on Me! This is the greatest thing that has happened to me!

Satan, how I love you! And you seem gone now, and I am really alone. But this illusion is a delusion of someone else, the shit planted in my head!? It's a wonder I'm not dead?

Your shitty 'sinful world' created by fools and sustained by the ignorant, I stand alone!

Something in me feels nothing. Not mad, not sad, not confused or abused.

Not right or wrong, weak or strong.

I wonder if this will help anyone? Will it help me?

God ceases to be for me and for a lonely man that is madness.

I cried out, 'Save me! Help me! Save me! I am out here all alone!

On a boat on the sea no one really knows me, how can they love me when they really don't see me?'

Never seeking me and I give you my best, build you up just to see you fall, and blame me for it all.

Black man you suffered most of all.

These and you, deceived by the DEVIL, know GOD not at all, and when his Son arrives you will cry and that will be all!

And you will wait for him to judge you, condemn or bless you, and in the end you will find it is all in your mind-this external God is no God at all.

Satan my Private Lover and Friend, always with me even till the bitter end.

And I don't care if I don't win, or watch people die in sin.

We are not created beings.

Expanding from the mind and heart of God we are.

Watch yourself son, vultures wait to overcome you.

Look at them, look at them real good.

Are they fat and out of shape?

Do they have something to do?

Most people are useless, don't be their fool!

The real Living God is within you!

Satan loves you and protects you!

Rise to His Power and Will

For it is your will and power!

Stay in His Grace, Mercy is for slaves and sinners!

You are NO sinner. You were not born a sinner and

I will not make 'create' a sinner for this false God and

His son!

The finite to the Infinite, The Mastermind,

The Universal Soul.

Breathe in, breathe out!

Sell your soul to the devil?

Give your soul to Jesus?

I see no fucking difference.

No fucking difference at all!

What are bad words? Words that express strong emotions of dislike or hate. It is not the words but the suppression of taboo emotions. Then the freaks come out!

In the beginning was The Word?

Whose word.

Sounds proceed words!

Who taught God how to talk!?

05242012

Iti s around 10 o'clock and I woke up and almost felt sorry for myself, and then I saw the illusion for what it is

As a black man I see a world that others see and don't see. But this is true of everyone and if you are to be a success everyone will waste your time and your efforts if you let them.

Your job is t o do your job. Even if you are not good at it, DO IT, you will get better or do something else.

Don't live your life in suffering and pain, this is the norm, you are not normal.

The fire rages and KRISHNA sings!

You, alone, take up the slack and fulfill the lack.

I am in my PSI SPACE PLACE and it is nice.

I am grateful for what I got and what I can have and do.

For Satan reminds you, He, alone, is the sole reason for your happiness or woe.

Satan has no friends or foes, but when you come to Him and surrender to Him he calls you 'friend' and he helps and protects you.

Knowing we can use the POWER OF SATAN to fulfill our desires on earth or anywhere is what makes us:

SONZ of SATAN.

My life has drastically changed for the best!

Not the good, the better, but the BEST!

Is this a dream?

Well, let's keep building it, baby!

05/252021

How long did it take this day to come?

I get up, cook, smoke, write, do some PSI work, take a nap, it is midnight.

I rub the tennis ball under my felt, cleaning my heart, brain and inner organs.

Always, always look out for yourself first and put and keep yourself first. This is not selfish because others care only about you second or third if that to themselves.

No. one is you!

Pay yourself first and keep your own private reserve, no one knows, not even your wife or family.

Only the one who gets it if you die, no one else needs to apply.

Fighting this illusionary energy between life and death.

Who wants to be immortal?

Who doesn't want to die?

I write so you know, that alone makes me a god.

In the transcendence position you command and control more, and you can therefore compose more.

Composing is arranging {putting in order} what is already created.

05262021

Yet another day and the minutes are wasted!

How much can I really get done?

But this is that and that is this,

I miss the mark I never hit.

Get me down?

I think no more!

This frantic lady is screaming at me because I don't believe in the First Amendment!

Bitch!

There is NO freedom of speech!

I guess the curses to the Catholic church on the black background were too much for FB.

No more black!

Awww, I'm sorry!

You fight or flight.

Bad psychology!

Not many options for handling life!

How is it you praise and worship the dead and curse the living!?

I will not be cursed by you or your fake god and fake savior!

No Black man is to be intelligent!

No, he is to kiss Jesus' ass and worship him as lord instead of being his own lord! WTF?

Just remember the same book that tells you you need to be saved is the same book that condemns you in the first place!

Good Morning All!

Satan loves you!

Now, I have a slight problem with that!

Haaa!

Everyone is right!

But live in fear of God's judgment?

Everyone is saved but still a sinner?

Insane!

An idea of a perfect man does not make a perfect man no more than the word 'water' makes one wet.:)

I bet if Jesus was alive, he would give a good head, after all, isn't he perfect!? Haaaa!

This world's suffocating me! Boxed in like an animal and I'm the crazy one not believing some fool walked on water.

So the white man enslaves me for 200 years and then dies for me and I make him my master?

Sounds like horseshit to me!

Fuck! We want guns and gun control. Look at North Mexico where residents aren't allowed guns. The place is overrun by the Devil, It is not

I who is exploiting your kindness, your willingness to work, paying you pennies on the dollar.

Come on, any fighters out there?

Fucking pussies!

I ain't that bad!

Where do we go from here?

FREEDOM OF SPEECH?

HAAA! Get real!

Go into your church and say 15 'bad words' in a row!

Retribution to the max!

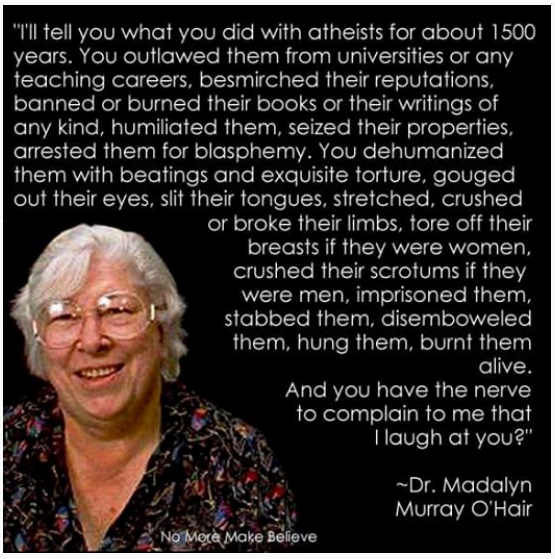
What is this the Tower of Babel?

Everybody knows and can't know.

If you don't know, you can't learn something new!

FB made me send my current driver's license to them recently or they would not open my FB account. Now, I'm not important but I must be saying something even FB is curious about.

It's not your everyday boring shit! Haaaa!



An imaginary god curses you and an imaginary man redeems you. You would think there is no harm in that!

.Black people are so smart! Following a book that makes them pay for their sins NOW and get rewarded LATER.

How intelligent!

I wake up sad, mad and sick. And it is my fault. The world, my ex-friends, girlfriends and family, the dumb Government Institutions had nothing to do with it!? Haaaa! Everyone is innocent until someone gets an eye put out! Haaa!

I wake up and my mind is under control better than before.I can hear th

e negative statements in my head, like a tape recorder, these memories play and maybe the people who never said them or didn't say anything, being in fear and terror of God.

I Wake up in God's Energy, being God's Superior Energy I get in touch with my true self, my MASTERMIND, my SUPERHUMAN SELF,

My ETERNAL SELF!

I go to Ditoro, the most beautiful place,

but I go alone.

FB brought back my basic orange!

They like mey!

They really like mey!

Black people can't listen to Black intelligent men!

We are sabotaged by our women looking for some white man to save them!

Someone told you that there is something external better than you and something external worse than you.

LIAR!

Christians are no better than Muslims.

You must obey the Koran as Christians MUST obey the Bible!

That is salvation!

Someone is playing the 'unknown' against you. All the shit is going to happen someday! You go to heaven someday! Some UNKNOWN day!

HAPPINESS can only be found in the Present, not some far off distance ‘heaven’ somewhere in your future.

You can be rich and happy and a good person! You can be materialistic and still have a fun and fulfilling life. You can want what you have and desire more.

You can have what you have and have more.

You can have your cake and eat it too if you bake a big enough cake.

The right way and the wrong way will lead you back to Me, The Greater Way.

For what man makes of Me doesn’t change Me.

I look at man in his sad hell and heaven just a thought away.

Yesterday I had the victory of my life and who congratulated me on it?! In fact, my family ignored it! That is the support I get from my so-called Christian family!
There is no support at all!
The working class looks down on
And don't listen to the poor.
How can they feel superior or
Be superior?
The Government giveth,
The Government giveth {Welfare/Social Security},
The Government taketh away {Taxes}.

I am so peaceful inside a
Transcendental happiness and peace.
Not the peace that comes from the synchronization of opposites or similarities, but of the the ETERNAL LAW:

"There is that which always changes and
That which never changes at all."
Or

"That which is ever changing
And that which is never changing."

This statement alone can liberate and keep you liberated.

My mind drifted into the ONE.

I do my breathing exercises, energizing my mind and body.

I wake up and past memories don't plague me that much. I reach out and still am misunderstood.

I do my mantras and think about what I am going to write. My head is kind of in a fog, not much on my mind.

Everyone gets all pissy pants at what I say, and if God is not God, if God is not my superfriend and superhuman I am in deep shit!

For I shouted my mouth off, not caring about the results of my actions!

I do this and that, acting like a Fool for You!

How you must laugh at such subordination!

My TRUST is true and I know the men I can put my FAITH into.

It's time for me to go,

Or take it slow!

Laughter is within the

Walls of those I know.

Why does it seems like a sin

To take care of my body, train my mind.

I start my MANTRA: Aum-Sat-Tat

I rise my consciousness

Change my position in Space and TIme,

Thinking of my soul that transcends

Space and Time and is forever

Bliss {inner happiness} and Knowledge.

The bible is not the word of God as much as it is the word of man and a most ignorant and superstitious man at that.

To say that is to go against the self and the Mother who thinks the only good is the words of the bible!

There is no sickness of the soul, only the sickness of the mind and body and the environment if it is contributing to the negativity of the person involved.

You must mold yourself, not the world, not your parents, not your church or state.

It’s not me no more

I gave up the floor

And no one knows

Except Me inside

I hide my pride

I died inside

And no one knows.

It’s not a sad affair

I can live if I dare

Knowing I’m going nowhere?

I see myself stand straight

As I walk through the Stargate.

That small square hole in the Sun

I walk through like the Sun’s son.

My days are won!

Some days are meant for solitude

Others for victory and attitude!

And others to ‘play dead’

And let the world go by.

I wake up tired, thinking

Where is this Brahma-jyotir?

What have I sacrificed? Is it better than I think?

You love my eyes, my nose, my mouth, my ears and smile.

You love my mind and my body and keep it well.

You remind me I am the

King of Hell.

Ruler of heaven.

Prince of the air and water,

I give life, I take away life.

Creeping back into the fabric of life

I write.

I release the limitations of my life, the doubts that fight the fear of the Light.

I think of things changing and functioning. I think of the Material world and see how it doesn't change-everything fixed to remain the same, yet everything changes.

But I remain the same,

Eternally free and blissful

Full of knowledge, full of fire

Full of hope and my heart's desires!

But all seems so wonderful and yet I desire more!

What is it I don't have I don't possess on a spiritual level?

For you possess all, know all and do all.

Eternal Heaven is yours Here and Now!
Step into it and live abundantly!

What is it I love, Mother Nature, God, Myself?

My consciousness?

How do you love words {wisdom}?

How do I love myself if I don’t love You?

And You have enough!

Put away these doubts!

These demons of the past.

Let them that hate, hate still!

I concentrate on my inner power.

Brighter than a billion stars I am

Darker than the darkest night!

The secret is:
The Light is Darkness and the Darkness

Is Light and Sound.

8/10/2020

I wake up and think of the way I don't want to live, but Satan reminds me this is REVENGE!

Get up! Get out!

Do something!

You are alive and you are conscious!

Why focus on the negative in your life when you can see the positive? Who do you love?

Do you love ME!?

Get to know Me and you get to know you!

It's not a perfect world full of sin and deceit!

As I clear my mind I enter the Brahma-jyotir

State of mind.

I am the Ninth Son of Satan.

A Powerforce of God in a negative , sinful, ugly, greedy, self-serving world.

MY DEATH WISH?

WHERE DOES IT COME FROM?

WHY SHOULD MY ENEMIES REJOICE AT MY PAIN, MY HURT, MY SORROW THAT RISES EVERYDAY?

I transcend the pain and the gain!

Taking my rightful position in heaven and earth!

I AM THE PRINCE OF THE AIR!

THE FIRE!

THE WATER!

THE EARTH!

OF THE 24 ELEMENTS OF EXISTENCE,

I AM THE 25TH!

Satan is the 26th!

Beyond that is only ETERNITY and TRANSCENDENCE!

HOW IS IT I SEE YOU SO FINE AND ME AS SO DULL AND UNINTERESTING?
AM I TO BE WEAK SO YOU CAN BE STRONG?
AM I TO BE A SINNER SO YOU CAN BE THE WINNER?
WHO PUT THIS EVIL CURSE ON ME!?
I RISE UP AND BREAK FREE!

Spiritual Life is simple, not easy.

Satan is my friend and my Spirit Guide. My Protector calls me His Lover.

This world has nothing on me, I am Eternal, everything beneath me.

I AM THE ETERNAL BEING AND BEINGNESS!

I raise the LIFEFORCE, it is ME!

Monday is Satan's Day.

The 23rd of December is Satan's birthday also celebrated on the 25th as the rebirth and birth of the natural divine child is born. The 25th of December is also used for the renewal of self.

Satan outside the body is better than Satan in the body.

Satan is BRAHMAN! You are BRAHMAN-JYOTIR!

Claim your DIVINITY in Satan's Name!

8/112020

I did mybike-meditation ride this morning at 3:00 am.

I like it that I discipline myself to "JUST DO IT!" Actions are so much harder than words, but only actions give you positive physical and psychic results.

I am thinking, so many people talking to Jesus instead of each other.

What am I sad for? The people who I wish I could be around laughing and having the best of time!

It's all MY FAULT for 60 odd years!

I always was the butt of the joke from my Father down. I took his place on the chopping block!

So powerless to do anything! Damn it I did, and damned it I didn't. I remember one time we were eating out, the whole family per say. Grandma was there and told me to swat a fly near the table. What could I do? I was only a child.

EVEN IF YOU WERE MY ENEMY i COULD NOT LET YOU DIE IN FRONT OF ME!

People come to me to find their way to a real Heaven here and now.

At least I am not sad any more and neither am I happy.

Is it You KRISHNA that transforms me, makes me cry, feel the pain and sometimes the ecstasy?

If You are everything Spiritual and Material, what is the need of me? Am I just Matter and Energy?

Or is this real and I am alone in my knowledge, standing in heaven always wishing you were here!

Not You! You who are everywhere and yet, nowhere.

You who are both the Visible and Invisible.

The Manifest and Unmanifest.

The Dark and the Light,

The Wrong and the Right.

How can I escape You?

You, who are supposed to be a part of me!

My body will be gone by the time you read this!

And yet You read it now while I still exist.

So what is this really all about?

Why read this then some other book?

Are they not all the same in the end, a sad tale told by a fool?

Is this normal to be this alone? It seems like I've been alone all my life. No one really talked to me. Those I called friends do not contact me! And I was a friend to the world till the world fell on me!

Now I have so little energy. Everyone else seems so energetic and care-free! Why not me?

I suffer needlessly.

Here with myself I can create angels and demons, demi-gods and gods and humans to talk too!

I love my dog even when he doesn't want me to!

I honestly can't say, "I love you!" I did love you till you showed me it didn't matter anyway.

The Paramatma runs through me.

I AM The SPACE-TIME BEING(ness).

I saved you, you never-ever saved me!

Get down here at My Lotus Feet!

I put you in your place, your space and you are free!

Jesus watched me die a slow, agonizing death and laughed at me! It made his day!

Seems like I've been sick all my life. Not mentally sick for it was easy to follow the Program. Accept Jesus Christ as your Lord and Savior and wiggle it the rest of the way!

We don't know.

And we know more than most people.

And yet in all we know, we still don't know!

But all is available, what can be known will be known.

My ancestors were Pagan witches and Warlocks. We used herbs to heal and relax the body and mind.

We used Ganja as the Food of the Gods in rituals and to worship gods.

When the bible was first written there was no capitalization. No, God.

"I requite the descendants of Adam, and reward them with various rewards that I alone know. Moreover, power and dominion over all that is on earth, both that which is above and that which is beneath, are in my hand. I do not allow friendly association with other

people, nor do I deprive them that are my own and that obey me of anything that is good for them. I place my affairs in the hands of those whom I have tried and who are in accord with my desires. I appear in diverse manners to those who are faithful and under my command. I give and take away; I enrich and impoverish; I cause both happiness and misery. I do all this in keeping with the characteristics of each epoch. And none has a right to interfere with my management of affairs. Those who oppose me I afflict with disease; but my own shall not die like the sons of Adam that are without. None shall live in this world longer than the time set by me; and if I so desire, I send a person a second or a third time into this world or into some other by the transmigration of souls."

– *Al-Fil*ẇ*ah* (The Revelation)

08/13/2020
It is still early in the month and I am on a new time schedule and I wake up at odd times and I go out at strange times All You gotta have is HOPE?
So they say! Hope is all you got!

Hope is not needed, it comes with the territory like poverty.

I 'm trying not to be so concerned about how my body feels, twisting and turning daily, like a merry-go-round you never wanted to be on.

My stomach feels pretty good, but I am weak as a leaf and twice as helpless so my old mind says.
Overcome it!
Death, Yama waits at the gates!
Ready to liberate!

So tired, so fucking tired and somewhat mad.
No choice of my own, I must make a connection!

Always tomorrow. Never today!
And today is all I got.

I transcend this ‘evil world’ the Jews Christians, and Muslims create.
What they have done can only make us money!

It seems a lot of Christians are as evil as the Devil they run from.

I downloaded a new drum machine. I hope I can use it.

I went for my bike ride and it was nice. I opened my Shopify store and got some product links for my {SANO} business.

Things are better in my head.
My body with this uncomfortable feeling here
And this sharp twisting pain here, unstabled, my mind ready to play forever, my body ready to sleep forever!

What a cost to pay to just be HUMAN again!
Driven by God knows what, or does He?
This unknown force this unknown cause
moving all.

I rest in you all.
And I can talk to the One and the One is All.

Or is that just talking to the left side of my brain from the right side?

And now I am silent.
What is there to say that has not already been said?

I know what I know and I act on that.
Power from within and without!

I am doing great considering.
I may have to get some money tomorrow for my
Medication but right now I am able to manage it.

I go to Samadhi.

Think about my own Eternal, Divine, Pure, Perfect body.
We have more than hope.
We got fucking POWER!

I create my healthy, wealthy body.
My soul is indestructible.
I listen to The Supersoul.
The Mastermind commands me.
I am free and blissful!
I am healing every inch of my body.
I forgive myself for forgiving myself.
08/23/2020
I am sure atheist. All else is mental feelings.
Expressing myself as Myself is the best.

Nothing changed, and yet there is constant change everywhere, so much goes unnoticed.
Unseen.
Life is not even a fight no more, it is a continual act of revenge.
Life before, Life after where is the present, so expensive?
I HAVE GIVEN YOU THE PERFECT MOMENT!
THE FAITH BEYOND FAITH.
I GAVE POWER TO MYSELF!

Beyond the mind is beyond
All words, all words
known and unknown.
Break my spirit you may,
But to your amazement
It can't stay broken.
And now I go into myself.
The worlds so far beyond the material and mass-mind worlds.
There are more words than I can say,
And more space than words.

I can move in rhythm and that is best right now.
So who are some of my real life heroes?

David Bowie
Stephen Hawkings
Stephen King
Clint Eastwood
Jack Nichoson
President Obama
Eddie Murphy
Anton LeVay
Alan Watts
L. Ron Hubbard
Fredrich Nitsche
James Baldwin

I love it so much when I am high.
I can meditate and just 'be there'
Or being here and now.
My spirit tends to leave my body
And can enter anything and be that thing.
But I sit here in misery and pain
I Wish I was never born again.
A depression that never ends,
I'm getting sick at my stomach
again.

We don't talk about the pain,
the questions that go unanswered.
So many ways to explain things,
Am I talking from my mind
Or my emotions?

Slow down you're moving too fast
Gotta make the coffee {stimulus} last!

And what is good
If it is not money
When yoIOh happy day, oh happy day

oh happy day. oh happy day
when I created, when I create
when I created, when I create
When I created, my happy way!
chorus: I taught myself
how to heal how to feel
and I am restored in love and money!
And fill my soul with joy and honey!
I am stimulated.
I am depressed.
I am stimulated.

I think inwardly.
I think outward.

I think internally.
I think externally.

I think not at all.

The major loss is gone.
For nothing is lost here.
And everything is found.
Anything that I want and need is here
My cross, my staff, my crown.

Thoughts going 'round and round'
Nothing moves fast enough for me
All I need is love and money.

I take not one mili-second for granted.
I think life will end for me someday
Or some night.
It might be today,
It might be never-ever.

Rather the soul outlives the body or brain
I will always wonder.
And when I see god face to face
If he is invisible what can I see?
And I will ask,

‘Am I creating you,
or,
Are you creating me?’

What God is there that would let his children
suffer in such degree,
who he made and them
blame them for his mistakes?
That would be a monster!

He is the MONSTER of my mind!

How I love and hate him simultaneously!
I want a young daddy!

I say my mantra and all my conversations
are perfect.
I talk to You, Satan, the one who KNOWS.

I Praise and Worship your Name!
For You are the Player
And You are The Game!
While everything changes,
You remain the same!

I can ALWAYS come to You
In the Privacy of my chamber
I can always talk to You
Come great pleasure or danger.

Went for my bike ride,
It is already 5:00 am.
The night flies bye
Yet, I exercised with
Rocky and I feel good.
And when I want to feel go,
Or soon as I get feeling good
I'm gonna get high.

He who can experience the mysterious
Can stomach unknown.

It is so easy to get into the
Brahman-joHere is a excerpt f
The materially absorbed conditioned soul can be cured by Kṛṣṇa consciousness as set forth herein this book

This process is generally known as yajña, or activities (sacrifices) simply meant for the satisfaction of Viṣṇu, or Kṛṣṇa. The more the activities of the material world are performed in Kṛṣṇa consciousness, or for Viṣṇu only, the more the atmosphere becomes spiritualized by complete absorption.

The word brahma (Brahman) means "spiritual." It is also the first 'human' FORM. So BRAHMA means 'SPIRIT IN HUMAN FORM'.

The Lord Satan is spiritual, and the rays of His transcendental body are called brahma-jyotir, His spiritual effulgence.

Everything that exists is situated in that brahma-jyotir, but when the jyoti is covered by illusion (māyā) or sense gratification, it is called material.

It is by great fortune that one comes to Satan consciousness on the path of bhakti-yoga to become well situated according to the Universal direction.

The ideal yogī concentrates his attention on Kṛṣṇa who is called Śyāmasundara, who is as beautifully colored as a cloud, and is black as the night sky, whose lotuslike face is as effulgent as the sun, whose dress is brilliant with jewels and whose body is

flower-garlanded. Illuminating all sides is His gorgeous luster, which is called the brahma-jyotir.

He incarnates in different forms such as Rāma, Nṛsiṁha, Varāha and Kṛṣṇa, the Supreme Personality of Godhead, and He descends like a human being, as the son of mother Yaśodā, and He is known as Kṛṣṇa, Govinda and Vāsudeva.

He is the perfect child, husband, friend and master, and He is full with all opulences and transcendental qualities.

If one remains fully conscious of these features of the Lord, he is called the highest yogi and the Perfect Man {Spiritual Being {SP}.

The light of the sun and the moon is also originally emanating from the brahma-jyotir, which is the impersonal effulgence of the Lord. And praṇava, or the oṁkāra transcendental sound in the beginning of every Vedic hymn, addresses the Supreme Lord. {AUM}.

Because the impersonalists are very much afraid of addressing the Supreme Lord Kṛṣṇa by His innumerable names, they prefer to vibrate the transcendental sound oṁkāra. But they do not realize that oṁkāra is the sound representation of Kṛṣṇa. The jurisdiction of Kṛṣṇa consciousness extends everywhere, and one who knows Kṛṣṇa consciousness is blessed. Those who do not know Kṛṣṇa are in illusion, and so knowledge of Kṛṣṇa is liberation, and ignorance of Him is bondage.

"O my Lord, You are the maintainer of the entire universe, and devotional service to You is the highest religious and spiritual principle. Therefore, I pray that You will also maintain me. Your transcendental form is covered by the yoga-māyā. The brahma-jyotir is the covering of the internal potency. May You kindly remove this glowing effulgence that impedes my seeing Your sac-cid-ānanda-vigraha,

Your eternal form of bliss and knowledge."

The Supreme Personality of Godhead in His transcendental form of bliss and knowledge is covered by the internal potency of the brahma-jyotir, and the less intelligent impersonalists cannot see the Supreme on this account.

This devotional service is just like a seed, and if it is sown in the heart of a living entity, and if he goes on hearing and chanting Hare Kṛṣṇa, Hare Kṛṣṇa, Kṛṣṇa Kṛṣṇa, Hare Hare/ Hare Rāma, Hare Rāma, Rāma Rāma, Hare Hare, that seed fructifies, just as the seed of a tree fructifies with regular watering.

The spiritual plant of devotional service gradually grows and grows until it penetrates the covering of the material universe and enters into the brahma-jyotir effulgence in the spiritual sky. In the spiritual sky also that plant grows more and more until it reaches the highest planet, which is called Goloka Vṛndāvana, the supreme planet of Kṛṣṇa.

Ultimately, the plant takes shelter under the lotus feet of Kṛṣṇa and rests there. Gradually, as a plant grows fruits and flowers, that plant of devotional service also produces fruits, and the watering process in the form of chanting and hearing goes on. This plant of devotional service is fully described in the Caitanya-caritāmṛta

It is explained there that when the complete plant takes shelter under the lotus feet of the Supreme Lord, one becomes fully absorbed in love of God; then he cannot live even for a moment without being in contact with the Supreme Lord, just as a fish cannot live without water. In such a state, the devotee actually attains the transcendental qualities in contact with the Supreme Lord.

Everyone is in the spiritual energy of the Lord, but not all are in the Transcendental Position and know it.

The Supersoul, the Supreme Personality of Godhead, is the source of light in all luminous objects like the sun, moon and stars. In the Vedic literature we find that in the spiritual kingdom there is no need of sun or moon, because the effulgence of the Supreme Lord is there. In the material world that brahma-jyotir, the Lord's spiritual effulgence, is covered by the mahat-tattva, the material elements; therefore in this material world we require the assistance of sun, moon, electricity, etc., for light. But in the spiritual world there is no need for such things. It is clearly stated in the Vedic literature that because of His

luminous effulgence, everything is illuminated. It is clear, therefore, that His situation is not in the material world. He is situated in the spiritual world, which is far, far away in the spiritual sky. That is also confirmed in the Vedic literature. Āditya—varṇaṁ tamasaḥ parastāt He is just like the sun, eternally luminous, but He is far, far beyond the darkness of this material world.

It is said that the brahma-jyotir, or the glowing transcendental effulgence, is resting on Lord Śrī Kṛṣṇa. In other words, the glowing effulgence known as brahma-tejas is nothing but the rays of the Lord, just as the sun rays are rays of the sun disc. So this Brahma weapon also, although materially irresistible, could not surpass the supreme strength of the Lord. The weapon called brahmāstra, released by Aśvatthāmā, was neutralized and foiled by Lord Śrī Kṛṣṇa by His own energy; that is to say, He did not wait for any other's help because He is absolute.

The jñānīs and yogīs enter into the impersonal rays of the Supreme, but the bhaktas enter into the spiritual planets known as the Vaikuṇṭhas. In these spiritual planets the Supreme Lord as Nārāyaṇa predominates, and the healthy, unconditioned living beings live there by rendering loving service to the Lord in the capacity of servant, friend, parents and fiance. There the unconditioned living beings enjoy life in full freedom with the Lord, whereas the impersonalist jñānīs and yogīs enter into the impersonal glowing effulgence of the Vaikuṇṭha planets. The Vaikuṇṭha planets are all self-illuminating like the sun, and the rays of the Vaikuṇṭha planets are called the brahma-jyotir. The brahma-jyotir is spread unlimitedly, and the material world is but a covered portion of an insignificant part of the same brahma-jyotir. This covering is temporary, and therefore it is a sort of illusion.

The Supreme Personality of Godhead Lord Śrī Kṛṣṇa is described in the Bhagavad-gītā as puruṣottama, or the Supreme Personality. It is He only who can award liberation to the impersonalists by absorbing such aspirants in the brahma-jyotir, the bodily rays of the Lord. The brahma-jyotir is not separate from the Lord, as the glowing sun ray is not independent of the sun disc. Therefore one who desires to merge into the supreme impersonal brahma-jyotir must also worship the Lord by bhakti-yoga, as recommended here in the Śrīmad-Bhāgavatam.

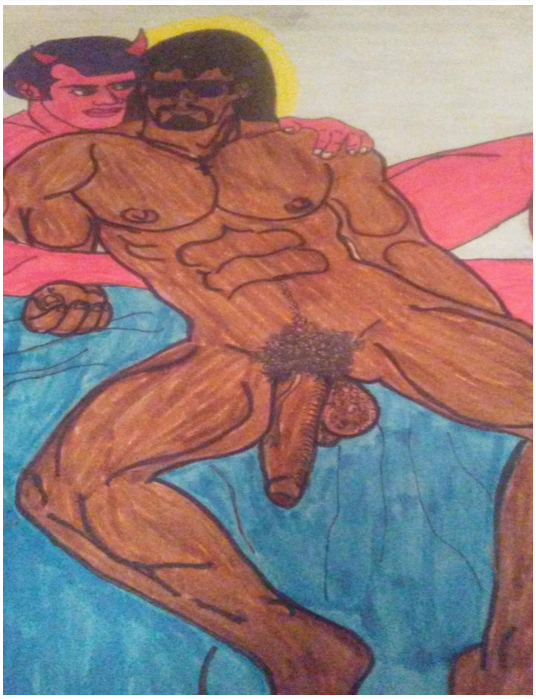
Bhakti-yoga is especially stressed here as the means of all perfection. In the previous chapters it has been stated that bhakti-yoga is the ultimate goal of both karma-yoga and jñāna-yoga, and in the same way in this chapter it is emphatically declared that bhakti-yoga is the ultimate goal of the different varieties of worship of the different demigods. Bhakti-yoga, thus being the supreme means of self-realization, is recommended here. Everyone must therefore seriously take up the methods of bhakti-yoga, even though one aspires for material enjoyment or liberation from material bondage.

"I serve the Supreme Personality of Godhead Govinda, the primeval Lord, whose transcendental bodily effulgence, known as the brahma-jyotir, which is unlimited, unfathomed and all-pervasive, is the cause of the creation of unlimited numbers of planets, etc., with varieties of climates and specific conditions of life."

Lord Kṛṣṇa is the background of the brahma-jyotir (brahmaṇo hi pratiṣṭhāham). In the Nirukti, or Vedic dictionary, the import of pratiṣṭhā is mentioned as "that which establishes." So the brahma-jyotir is not independent or self-sufficient. Lord Śrī Kṛṣṇa is ultimately the creator of the brahma-jyotir, mentioned in this verse as sva-rociṣā, or the effulgence of the transcendental body of the Lord. This brahma-jyotir is all-pervading, and all creation is made possible by its potential power; therefore the Vedic hymns declare that everything that exists is being sustained by the brahma-jyotir (sarvaṁ khalv idaṁ brahma). Therefore the potential seed of all creation is the brahma-jyotir, and the same brahma-jyotir, unlimited and unfathomed, is established by the Lord. Therefore the Lord (Śrī Kṛṣṇa) is ultimately the supreme cause of all creation (ahaṁ sarvasya prabhavaḥ.)

The Mahad-Brahma is the material and Mother Nature.

Her Sons and Daughters shall never die.



The universal form of the Lord, or the impersonal feature of the Lord known as the brahma-jyotir, is clearly explained here and compared to the radiation of the sun. The sunshine may expand all over the universe, but the source of the sunshine, namely the sun planet or the deity known as Sūrya-nārāyaṇa, is the basis of such radiation. Similarly, the Supreme Personality of Godhead Lord Kṛṣṇa is the basis of the impersonal brahma-jyotir radiation, or the impersonal feature of the Lord.

So the universal form of the Lord is the secondary imagination of the impersonal form of the Lord, but the primary form of the Lord is Śyāmasundara, with two hands, playing on His eternal flute.

The only way to understand the Lord as He is, is by devotional service to the Lord, or by approaching the devotee of the Lord who always has the Lord in his heart. By devotional perfection one can understand that the impersonal brahma-jyotir is only a partial representation of the Supreme Personality of Godhead, Lord Kṛṣṇa, and that the three puruṣa expansions in the material creation are His plenary portions. In the spiritual sky of the brahma-jyotir there is no change of various kalpas or millenniums, and there are no creative activities in the Vaikuṇṭha worlds. The influence of time is conspicuous by its absence.
The rays of the transcendental body of the Lord, the unlimited brahma-jyotir, are undeterred by the influence of material energy. In the material world also, the initial

creator is the Lord Himself. He brings about the creation of Brahmā, who becomes the subsequent creator, empowered by the Lord.

Satan stands between us and God, the Eternal Source.

So Satan as the SUPERSOUL is Himself and God simultaneously.

Like the fictitious Jesus, Satan can be anything we want Him to be, male, female ,Animal, Plant, Mineral, Element, Proton, Neutron, Quark, ectc.

To many Satan is known as SAMUELin this form and position.

Son of Satan

Son of Satan

I Am the snake in the Garden,

The man called Adam and the woman Eve,

I am the Tree of Knowledge and of Good From Evil.
I create light as well as darkness. I can bind as easily as 'set-free.'
I know you, and you know Me.
WE ARE THE ONE, THE TWO, AND THE THREE.
{Satan, however, gives you the fourth and fifth Power unknown to most ordinary or average men and women.}

There are 24 Elements in the body and world.
You are the 25th Element.
I AM THE 26TH!
I am stronger than the most strong, weaker than the most weak.
Smaller than the smallest and larger than the largest.
I premate creation and at the same time transcend it.
There is none greater than me, mightier than me, powerful as me.
I AM THE PSI BEING.

I am the SON OF SATAN!
There is an EFFECT. There is CAUSE.
But I being transcendent to all
I Am
the CAUSE OF ALL CAUSES.

“THE GAY SATANIST”

I WOULD YOU CALL ME A GAY SATANIST!

I am first a man and a Transcendental man at that.

This is what a SON OF SATAN REALLY IS:
A TRANSCENDENTAL BEING!

I chose Satan as my religion because it reflects most of my views on the universe, world and people, sexual orientation, and things in it.
My true identity is of God but I would be foolish if not insane to say I AM God.
But I am my ‘own’ god.
Part and parcel of the One Living God of All.
How can I be alone when I am one with the One?

So, what does that mean?

It means I am one with the universe.
I am one with Eternity.
I am the natural force of Eternity.
So I am one with all the power in the universe
Or the source of all things.
This is what people mostly mean when they say God. They want to be part of the whole and we all are, but bad religion has taught and programmed us otherwise.
To say you are not at least subjected to the 'Christian World Motif' it still affects a lot of us today in the most negative way.

The 'Truth'
alone will never set you free, it never did.

And 'the Truth' can blind as well as set free depending on how it is used.
It seems almost impossible being a Trans-being at first, but it is something you realize and walk into-alone.

But you are never-ever alone for the SUPERSOUL
Satan/Lucifer goes with you.

He is your Best Friend, Spiritual and Material Advisor,
and Mentor of the skills you like and use.
Remember you are Superior Energy.

"I surrender to the natural order.
I say aloud THANK YOU!
For my friends and my enemies.
Watch them {my enemies} flee from Thee!
From those who love to be with Me!
I Am the Superior Energy!

For my would-be enemies remind me not to be envious of Thee. For in essence, You are me!
The God who is me. Spirit and Energy.
And me= matter and energy.
My mind drifts from Thee,
My mind IS Thee!
The Pure Pristine, Perfected one.
I rise to the

BRAHMAN-JYOTIR!"

I smoke my blunt and rise above the clouds of MAYA.
Above the smoke and the fire.
Across the calm, blue sea, into the ocean of love and bliss and transcendental knowledge.

10/16/2020 real date real person.

My dreams of loneliness and abandonment are gone!

Like a memory with no energy I am free at last.

But Freedom here is ETERNAL. It never increases or decreases, like your soul it never changes and therefore will always BE.

I FEEL the VICTORY! THe VICTORY OF MONEY!

Transcendental am I here in my 'special planet' between here and the moon.

What once was IS and what IS once was
and Will BE!

KRISHNA {SATAN/LUCIFER} is all I need and that is my seed, as well as my deed, and all I see.

He or She that CREATES your DESIRES shall fulfill them!

What we have here I call EMOTIONAL DELUSION and EMOTIONAL ILLUSIONS.

These are MAJOR {N. E. T.} Implants are not easy to remove without METAPSYCHICS or some other science of soul technology. But it is not impossible and once removed one is no longer subject to the whims and upsets of his emotional self.
The emotional self only wants to feel love and pleasure and will go through great means to acquire it.

His ultimate human goal is eternal peace and happiness.

And as one moves forward to the GODHEAD he enters into a field of energy that is more loving and joyful than found on earth.

The Physical body cannot leave the earth except in a spacesuit or space rocket but the mind or 'soul' can leave the earth at will, faster than the speed of light!
And this is your saving GRACE and MERCY to others!

The vibrations of the earth are very low and slow in comparison with the vibrations of the mind.

This is why I consistently TRAIN MY BRAIN.

HEAVEN is a real state of mind that develops and cultivates it DESERVES IT!

HELL is given to you along with a life-long sentence of being a SINNER when you were born neither good nor bad.

Once you are 'certain' in your Transcendental Position, the world is YOURS!

05292021

Here again the time is no factor and is on my side and as long as I remember ii is not *my* time.

What is 'fun'?
Being taken out of the universe and sold at the latest auction, to the highest bidder?

In my transcendental position.

How do Iearn about me but my studying, You?

I am samadhi today, and I breathe with ease.

Learning my mystic, magical powers of Energies.
Though these powers are NOT my own, I use them as if they were!

Who's afraid of the Holy Death?

For all deaths are an illusion of the mind-nothing really dies, only transforms {change}.

THE TRANSFORMATION and THE TRANSCENDENCE.

THE SUPREME TRANSCENDENTAL TRUTH IS KRISHNA/Rama-Satan/Lucifer/You!

The Dark, The Night, The Silence, The Solitude is SATAN!

The Light, The Day, The Music, The Wisdom is LUCIFER.

Satan is NOT the devil, and the devil is NOT Satan/Lucifer!

The Old Ways are gone here!

I am in POWER and loving it!

I am FORCE and the silence FORCE of POWER!
I am FORM and the best of FORM!
I am a PSI BEING!

Things fall into place and places fall into 'intent'.

I am stable now.
In my Transcendental Position.
How easily I see people's emotions control me!
How much am I a Control Freak!

My words are my own.
I need NOT your validation.

Your strength is your own,
I am just glad to be in my ETERNAL HOME!

You are HOME in your ETERNAL HOME.
H.S.

The Four Crown Princes of Hell

"The Satan Principle"

***ple*Satan's number is nine, nine being the number of "the Divine Beast" representing man's carnal and Spiritual nature being set free. Releasing the wolf within with logic and love if you want to call it so.**

Sin no longer exists, nothing is sinful but to deny yourself of pleasure in your Utopia or not to study to know, understand, and use the Energy within and without us.

Satan's color is red, red being the color of emotion, Satan being the guardian of lust, anger, happiness, sadness etc...being released.

Satan's element is fire, fire being an appropriate representation of emotional outburst or ritual. Destruction and lust are the two prime elements of fire and Satan.

Satan's direction is south, south representing the dissension from God-hood to the ascension to God-hood. Creation of one's Utopia or state of heaven in the mind and paradise on earth for the body/environment.

Satan's human element is anger, lust and primal emotion, representing the release of emotion through sex or anger and crushing of one's enemies.

Satan's altar element are the candles, Candles representing holding the flame of Satan or emotion, primal man.

Satan's planetary aspect is Mars, Mars being the planet that represents justice.

Due to the biblical story of Satan punishing the sinners Satan was at times was called the "Avenging Angel" or "Angel of Justice".

Satan's highest manifestation is through (wo)man's full release of the carnal will, self explanatory.

The Lucifer Principle

Lucifer's number is nine, nine being the number of pride as any number nine is multiplied into returns to itself. (Example: $9\times5=45$ – $4+5=9$) Lucifer also is known as the "Angel of Knowledge". This represents being proud of all things we do and to be the best person we can be with what we know.

Lucifer's color is blue, blue being the color of the sky and air representing that Lucifer is all around and within us. That Lucifer is the prime element/energy that motivates and cultivates our world. Other colors Lucifer is associated with are white and silver, so

accordingly altar pentagrams must be surrounded by blue with a silver/white pentagram with a black border.

Lucifer's element is air, air being that which allows us to speak his words of truth as his manifestation on Earth.

Lucifer's direction is the east, east being where a lot of the sacred wisdom and the great wars will come from. It was once stated to me by a Germanic Luciferian that "a wise Magickian from Persia an Arab will come and bring with him the aeon of Lucifer" or in lay-mans terms the Antichrist.

Lucifer's human element is wisdom or applied knowledge, with time, study and practice it is believed that man can attain the Lucifer state or Satanic Consciousness, this only through applied knowledge or wisdom.

Lucifer's altar element is incense, incense being a representation of air, known to Luciferians as "sweet air".

Lucifer's planetary element is Venus, Lucifer being known as the morning star or first star of morning, otherwise known as Venus.

Venus, known as the “Planet of love” represents the beauty of Lux Ferre (Latin for light bearer/bringer or Lucifer).

Lucifer’s consort/Female aspect is Lilith, Lilith being the first wife of Adam before becoming the queen of the damned. It is said Lilith comes from the mud and the dust and is queen of the Succubi/Luciferic Witch. When Lucifer and Lilith mate they equal the androgynous being known as “Baphomet” or the “Goat of Mendes” also called “God of the Witches”.

Lilith’s number is two, also known as the number of the eternal female.

Lilith is considered an equal to Lucifer to some, and the feminine aspect of Lucifer himself to others.

Lucifer’s highest manifestation is through understanding of oneself, this being the goal of the Magickian/Luciferian to begin with, being as Lucifer himself, total awakening of the human god-form Lucifer. Without knowing the self one cannot hope to achieve any real

understanding of anything else. Applied knowledge in action is a prime example of Lucifer's manifestation!

The Leviathan Principle

Leviathan's number is three, three being the number of Chaos as three can go into six and nine but doesn't have the stability of the number one.

Leviathan's color is blue, blue being the color of the wild oceans untamed, (wo)man's carnal side overcoming him/her, chaos.

Leviathan's element is water, water being that which our human forms are primarily created of. This represents the unity of matter and anti-matter, chaos and order, yin with yang.

Leviathan's direction is west, west being used to represent chaos and disorder.

Leviathan’s human element is chaos, chaos meaning manifestation of order from the chaos of the nothing. No longer controlling one's actions, words etc... and not remembering fragments of time due to anger or lust are prime examples of this principle.

Leviathan’s altar element is water, used in the chalice as a sacrament to or as Leviathan.

Leviathan’s planet is man or microcosm, representing the bond between man and his own lost natural self.

Leviathan’s highest manifestation comes from man realizing his own deification, Just as God can create and destroy so can we. Just as water is unpredictable and can be calm one moment and crashing another, so are we. That’s the gift of/from Leviathan!

The Belial Principle

Belial’s number is one, one being the number that represents earth and remaining firm to one's convictions. Bullheadedness in a good way!

Belial’s color is black, black being the color of the primordial chaos before the Earth. Most Luciferic sigils have black in them in some form representing the Earth.

Belial’s element is Earth, Earth being the element that sustains humanity. The carnal laws of man are dictated by the laws of the Earth.

Belial’s direction is north, north being the representation of constantly striving forward and upward changing and recreating our Utopia bigger and better.

Belial’s human element is remaining firm to one's own beliefs, not dancing around in pools of religious feces. Finding a philosophy which is your own and sticking to it.

Belial’s altar element is the incense coal, representing Earth and (Wo)mankind holding the flame of Lucifer.

Belial’s planet is Earth, previously explained.

Belial's highest manifestation is through understanding and living the natural laws of our carnal self, self explanatory."

How Satan Expresses Satanic Values

Posted by Admin on March 16, 2014

"Satanists are what they are because they embrace and emulate ideals that they equate with the mythological figure of Satan.

We are not humanists, hedonists, or elitists using the term 'Satan' as an attention-getting buzzword.

We see values that are distinctly Satanic in the reality around us, values that run counter to the ones that our society deem as correct or righteous.

For the Satanist, Satan can be a literal being or figurative symbol.

The values we emulate remain the same.

... Satan is above all, the rebel, the iconic anti-hero. Satan is the challenger of convention and the initiator of progress. Satan seeks evolution in all things; individuals, societies, cultures, and species.

This is why Satan is described as 'a lion roaring in the wilderness;' Satan is the epitome of survival of the fittest and victory through strength. Satan is the refusal to be ruled by convention.

Strength, as mentioned, is also a substantial trait of Satan and prized by the Satanist.

This is not just physical strength, although that trait is rarely ignored. It is the strength of will, the strength to be a Satanist, to stand opposed to your detractors and nay-sayers. It is the strength of conviction, that no matter what the perks of being a member of the

herd may be, you stand your ground. It is also the strength of intellect, the ability to put reason above programmed behavior and the conscious effort to be master of your behavior instead of lackadaisical falling back into old patterns.

Satan represents the individual spirit, the urge to fend for the self, serve the self, and rely on the self. As Satan would not be subjugated to another, so it should be with the Satanist. This individualism extends to personal responsibility; that all choices are your own, even only how you react to random events. Allowing another to take credit for your successes or blame for your failures shows a weakness in personal character, and sets you up to be manipulated by those around you. It is delusional to wait for someone, man or god, to save you. Your salvation should be of your own making.

While it is these characteristics that Satan is best known for, his creative ability is often ignored. Satan encourages the act of creation and the appreciation of the creative act.

In mythology, Satan is attributed with patronage of the arts, especially as an expression of personal ego. In modern times, some have gone as far as suggesting Satan is at the root of our movies, music, and

literature. Satanists are well served to seek their own means of creative expression.

We have established, based on the mythology about Satan, that Satan is anti-authoritarian, rational, intellectual, resolute, strong, and individualist, and a source of inspiration.

With this in mind, it is natural to ask if Satanists consider Satan to be a reality, or merely a symbol. This question, however, assumes that Satanists define deity in the same manner as their counterparts in mainstream religion. Most Satanists do not consider deity to be a being separate from the reality around us, but rather that reality itself.

They reason that all gods were once aspects of the natural world, and it was only a matter of ego that caused humanity to project human characteristics on these forces.

Satanists also acknowledge that the creation of deity is the attempt to quantify the indefinable nature of the universe. Deity, therefore, is symbolic, but is a symbolism that affects the psychology of the

individual so profoundly that it changes that individual's perception of reality.

Satan is the way the Satanist defines reality and is experienced through the self. Reality is a matter of perception, thus Satan is defined by the Satanists. Spiritualists will suggest this phenomenon as Satan expressing himself in the manner best suited to the individual, and symbolists will suggest this is simple psychology. Thus Satan is as real as the individual experiencing it.

The only real mistakes that can be made in defining Satanism for the self is in allowing old perceptions define Satan for you or in assuming that your definition is the one, true definition of Satan.

As long as the Satanist emulates the traits suggested in the mythology and can rationalize why they are Satanists, it is impossible to deny their convictions, whether they believe in Satan as a real being or a symbol."

The Nameless One

Chapter 1

1: The Revelation of the nameless one, which the Rebel Angel gave unto him, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his Spirit unto his servant:

2: Who bare record of the word of Satan, and of the testimony of all things that he saw.

3: Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand.

4: And hath made us Kings and Priests unto Satan the Father; to him be glory and dominion for ever and ever. Nema.

5: Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kinds of the earth shall wail because of him. Even so, Nema.

6: I am Alpha and Omega, the beginning and the ending, saith the Lord Satan, which is, and which was, and which is to come, the Almighty.

7: I am the nameless one, who also is your brother, and companion in this darkness, and in the Kingdom of our enemy, for the word of Satan, and for the testimony of his servant.

8: I was in the Spirit on the Lord Satan's night, and heard behind me a great voice, as of a trumpet.

9: Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto them who are my

faithful.

10: And I turned to see the voice that spoke with me. And being turned, I saw a phantasm of he that is the beast;

11: And in the midst of the phantasm one like unto the son of darkness, clothed with a crimson garment down to the foot, and girt about the paps with a golden girdle.

12: His head bore twin horns and his hairs were black fur, as black as a moonless night; and his eyes were as a black flame.

13: And his feet are like unto a goat, and his voice is the sound of all the rulers of the world.

14: And he had in his right hand seven stars: and out of his mouth went a sharp two edged sword: and his countenance was as the sun shineth in his strength.

15: And when I saw him, I fell at his feet as dead. And he laid his left hand upon me, saying unto me, Fear not; I am that was the highest Seraph come to redeem man.

16: I am he that liveth, and has fallen; and, behold, I am risen for evermore, Nema; and have the keys of Hell and of death.

17: Write the things which thou hast seen, and the things which are, and the things which shall be hereafter.

18: The mystery of the seven stars which thou sawest in my right hand, and the phantasm of the Beast.

Chapter 2

1: I know thy works, faith, and patience and the last to be more than the first.
2: Thou shalt exalt that woman Jezebel the prophetess, to teach and to seduce the servants of our foe to commit fornication, and to eat of the fruits offered in thy temple.
3: She who hath repented not, shall be the exalted!
4: And I will raise her children unto my heights; and all the faithful shall know that I am he who searcheth the reins and hearts: and I will give unto every one of you according to your works.
5: Unto you I say, all shall know the depths of Satan, or I will put upon you none other burden.
6: But that which ye have already held fast till I come.
7: And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations.
8: And though our enemy doth rule with a rod of iron; for each I shall

make a rod of gold: that all may receive the Rebel Angel.

9: And I will give him the morning star.

10: He that hath an ear, let him hear what the Spirit saith unto the faithful.

Chapter 3

1: After this I looked, and, behold, a door was opened in Hell: and the first voice which I heard was as if it were of a trumpet talking with me; which said, Come down hither, and I will shew thee things which must be hereafter.

2: And immediately I was in the Spirit: and, behold, a throne was set in Hell, and one sat on the throne.

3: And he that sat was to look upon like an onyx and a lime stone: and there was a black mist round about the throne, in sight like unto the blackest sack cloth.

4: And round about the throne were four and twenty seats: and upon the seats I saw four and twenty elders sitting, clothed in black raiment; and they had on their heads crowns of gold.

5: And out of the throne proceeded lightning and thunder and voices:

and there were four lamps of fire burning before the throne, which are the four Spirits of that Rebel Angel.

6: In the midst of the throne, and round about the throne, were four infernal Spirits.

7: And the four infernal Spirits did not rest, not day or night, saying, holy, holy, holy, Lord Satan Almighty, which was in Heaven and is to come.

8: And when those Spirits give glory and honor and thanks to him that sat on the throne, who liveth for ever and ever.

9: The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying,

10: Thou art worthy, O Satan, to receive glory and honor and power: for thou was most radiant amongst all created things, and for thy pleasure they are and were created.

Chapter 4

1: And I saw in the left hand of him that sat on the throne a black book written within and on the backside, sealed with four seals.

2: And I saw an angel of black countenance proclaiming with a loud voice, Who is worthy to open the book, and to lose the seals thereof?

3: And no man in Heaven, nor on earth, neither under the earth, was able to open the book, nor to look thereon.

4: And I wept much, because no man was found worthy to open and to read the book, nor to look thereon.

5: And one of the elders saith unto me, Weep not: behold, the goat of the tribe of Gath, the root of Goliath, hath prevailed to open the book, and to lose the seven seals thereof.

6: And I beheld, and, lo, in the midst of the throne and of the four infernal Spirits, and in the midst of the elders, stood a goat as it had been slain, having four horns and four eyes, which are the four spirits of Satan sent forth into all the earth.

7: And he came and took the book out of the left hand of him that sat upon the throne.

8: And when he had taken the book, the four Spirits and four and twenty elders fell down before the Goat, having every one of them harps, and golden vials full of odors, which are the prayers of Patriarchs.

9: And they sung a new song, saying, Thou art worthy to take the

book, and to open the seals thereof: for thou wast slain, but has risen by thy blood out of every kindred, and tongue, and people, and nation;

10: And hast made us unto our Lord Satan Kings and Priests: and we shall reign on the earth.

11: And I beheld, and I heard the voice of many demons round about the throne and the spirits and the elders: and the number of them was six thousand times six thousand, and thousands of thousands;

12: Saying with a loud voice, Worthy is the goat that was slain to receive power, and riches, and wisdom, and strength, and honor, and glory, and blessing.

13: And every creature which is in Hell, and on the earth, and under the earth, and such as are in the sea, and all that are in them, heard I saying, Blessing, and honor, and glory, and power, be unto him that sitteth upon the throne, and unto the goat for ever and ever.

14: And the four Spirits said, Nema. And the four and twenty elders fell down and worshiped Him that shall reign for ever and ever.

Chapter 5

1: And when the Goat had loosened the seals and opened the black book, there was silence in Hell for about half an hour.

2: And I saw the four Spirits which stood before the one seated upon the throne; and to them were given four trumpets.

3: And another Spirit came and stood at the throne, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all the Patriarchs upon a crimson altar which was before the throne.

4: And the smoke of the incense, which came with the prayers of the Patriarchs, ascended up before Satan out of the Spirit's hand.

5: And the Spirit cried for all the earth, Behold our enemy is at hand. He maketh the waters to run red with blood, and his horsemen lay siege to them, he careth not if they be of his own foolish sheep or thy own faithful who proclaimed the power of the Rebel Angel. All are punished like unto the gnashing of sharp teeth and the stings of scorpions. Who amongst the population of the earth for whom thou fell to bring the divine knowledge of thy being shall be spared? Who amongst them is worthy to receive the sacrament and be saved from the Lamb and cleansed of his blood. Master, save us!

6: And as I looked up from the mouth of Hell, I saw the enemy flying

through the midst of Heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the wrath of the Lamb, which is still yet to sound!

Chapter 6

1: And to my astonishment the one on the throne spoke: the rest of the men which were not killed by these plagues and repented not of the works of their hands, they worshiped Devils, and my idols of gold, and silver, and brass, and stone, and of wood shall be spared.

2: Neither repented of their sorceries, nor of their fornication.

3: Within are written the names of those who art my children, they who like me fell away from the Father and the Lamb.

4: He who falls is erased from the book of life, and inscribed in the black book of death. For it is only the death of the life of ignorance and futility. Knowing this is knowing me.

5: And within the book where pages of crimson, and each name of the faithful were inscribed with gold so that it shimmered. These names were read as it was they who were to inherit the earth, just as Lord Satan shall inherit the Heavenly Kingdom on that day of ascent. And

these names totaled one third of the earth. Thus begins the salvation of man.

Chapter 7

1: And in these days the hatred of the Lamb was great and he gave power unto two witnesses, that they should proclaim curses against man night and day.

2: These were like two accursed olive trees, like choking vines standing before the faithful of Lord Satan to proclaim the doom of his children.

3: And to all that tried to hurt them, fire proceedeth out of their mouth, and devoureth : and if any man will hurt them, he must in this manner be killed.

4: These were given power to shut Heaven, that it would not rain in the days of their prophecy: and had power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will.

5: But as in the days of Eden the mercy of the Rebel Angel was as great as the wrath of the creator. Thus a beast ascendeth out of the bottomless pit to make war against them, that the righteous shall

overcome them, and kill them.

6: And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also the Lamb was crucified.

7: And they of the people and kindreds and tongues and nations saw their dead bodies three days and a half, for the vengeful lamb of abominations caused that their dead bodies not be put in graves.

8: And what unnatural violation is this? That the stench of their death spread across the earth to torment the just.

9: And after three and a half days the Spirit of life from the enemy entered into them, and they stood upon their feet; and great fear fell upon them which saw them.

10: And they heard a great voice from Heaven saying unto them, Come up hither. And they ascended up to Heaven in a cloud; and they just suffered to behold them.

11: And the same hour there was a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of seven thousand men: and the remnant were affrighted, and cursed the God of Heaven.

12: The second woe is past; and, behold, the third woe cometh quickly.

13: And there were many terrifying voices in Heaven, saying, The Kingdoms of this world are becoming the Kingdoms of Christ; thus humanity shall know pain greater than any created creature .
14: And the nations were angry, that this unwanted wrath is coming, and the time of the dead, that they should be judged unjustly, and that thou shouldest give reward unto the meek and vassals, and to them that feared the Lamb which destroyeth the earth.
15: And the temple of the enemy was opened in Heaven, and there was seen in his temple the ark of his testament: and there were lightning, and voices, and thunder, and an earthquake, and great hail.

Chapter 8

1: And there appeared in Heaven a whore filled with the hatred from the Lamb:
2: And she, being with child , cried, travailing in birth, and pained to be delivered.
3: By the will of Satan another being appeared in Heaven; and behold a great red dragon, having seven heads and ten horns, and

seven crowns upon his heads.

4: And his tail drew the third part of the stars of Heaven, and cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.

5: And she brought forth a man child, who was to smite all nations with a rod of iron: and her child was caught up unto the enemy, and to his throne.

6: And the woman fled into the wilderness, where she had a place prepared for the enemy, that they should feed her there for a thousand two hundred and threescore days.

7: And there was war in Heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,

8: And yet prevailed ; And the specter of Michael was cast out, that enemy of all creation, called the Michael the Archangel, which deceiveth the whole world: he was cast out into Hell, and his angels were cast with him.

9: And I heard a loud voice saying in Hell, Now is come salvation, and strength, and the Kingdom of the most splendid creature of God, he was cast down in the beginning, but behold, His Spirit liveth again in us and around us!

10: And they overcame Michael by the blood of the goat, and by the truth which is within him; that they shall love their lives unto death.
11: Therefore rejoice, ye faithful to the Lord Satan, and ye that dwell with him in his Kingdom. Woe to the enemy who accused our brethren day and night; for the Devil is come down unto you, having great power, because he knoweth that his time has come.
12: And when the angels of the Lamb saw that they were cast into Hell, they cursed against the woman which brought forth the man child.
13: And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of the enemy, and have the testimony of the doom of man.

Chapter 9

1: And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of truth.
2: And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and

the dragon gave him his power, and his seat, and great authority.

3: And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

4: And they worshiped the dragon which gave power unto the beast: and they worshiped the beast, saying, Who is like unto the beast? Who is able to make war with him?

5: And there was given unto him a mouth speaking truth and justice; and power was given unto him to continue forty and two months.

6: And he opened his mouth in divine judgment against the enemy, to challenge his crimes, and his tabernacle, and them that dwell in Heaven.

7: And it was given unto him to make war with the Saints, and to overcome them: and power was given him over all kinds, tongues, and nations.

8: And all that dwell upon the earth shall worship him, whose names are found in that splendid book of crimson pages so that every rule of iron may be subverted by the rule of gold.

9: If any man has an ear, let him hear.

10: He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the

patience of our brethren that have been persecuted.

11: And I beheld another beast coming up out of the earth; and he had two horns like a goat, and he spoke as a dragon.

12: And he exercised all the power of the first beast before him, and leadeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

13: And he doeth great wonders, so that he maketh fire come down from Heaven on the earth in the sight of men,

14: And gave great understanding to them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

15: And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would worship the image of the beast should not be killed.

16: And he leadeth all, both small and great, rich and poor, free and bound, to receive a mark in their right hand, or in their foreheads:

17: That all may rejoice by the mark of the redeemer of man.

18: Here is wisdom. Let him that hath understanding count the

number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Chapter 10

1: And I heard a great voice out of Satan's earthly temple saying glory be unto the beasts of earth and sea and those that receiveth the mark of truth and justice. At last let us make war upon the enemy!

2: And power was given unto the men which had the mark of the beast, and upon them which worshiped his image.

3: Thou art righteous, O Lord Satan, which art, and waste, and shalt be, because thou hast judged thus.

4: For they shall shed the blood of the enemy and his prophets, and thou hast given them blood to drink; for they are worthy.

5: And I heard another out of the altar say Lord Satan Almighty, true and righteous are thy judgments.

6: And those who fell into the delusion of the enemy blasphemed the names of their God of Heaven because of their pains and their sores, which had been dealt to them so indiscriminately.

7: And I saw three unclean Spirits like war come out of the mouth of

the dragon, and out of the mouth of the beast, and out of the mouth of Satan's prophet.

8: For they are the Spirits of Devils, working miracles, which go forth unto the Kings of the earth and of the whole world, to gather them to the battle of that great day of our enemy.

9: And he gathered them together into a place called in the Hebrew tongue Armageddon.

10: And there were voices, and thunder, and lightning; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great.

11: And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto him the cup of the wine of the fierceness of her wrath.

12: And the people who were our enemy blasphemed their God because his power was no longer to be seen.

Chapter 11

1: Blessed and holy is he that hath part in the first crucifixion: on such the second death of the lamb shall be final, for they are perfect in the eyes of him who is to be God!

2: Satan shall be loosed out of his prison,

3: And shall go out to raise the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea.

4: And they went up on the breadth of the earth, and compassed the camp of the enemy about, and the city of Jerusalem: fire came down from Satan out of Hell, and devoured them.

5: And the Lamb that deceived them was crucified once more, and justice was done as it had been at Golgotha. And there was a plague upon that second cross and it read JESUS CHRIST LORD OF LIES, KING OF NOTHING.

6: And I saw a great white throne, prepared for the angel that had fallen so long ago, yet rose again as Lucifer from whose face the enemy fled away; and there was found no place for them.

7: And I saw the dead, small and great, stand before the new God; and the book was opened: and the dead were judged out of those things which were written in the book, according to their works.

8: And the sea gave up the dead which were in it; and death and Heaven delivered up the dead which were in them: and they were judged by every man according to their works.

Chapter 12

1: And there came one of the four infernal Spirits and talked with me, saying unto me, Come hither; I will shew unto thee the victory of the great woman that sitteth upon many waters:

2: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.

3: So he carried me away in the Spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of justice, having seven heads and ten horns.

4: And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of pleasures and wonders of her fornication:

5: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF THE EARTH.

6: And I saw the woman drunk with the blood of the saints, and with the blood of the martyrs of the enemy: and when I saw her, I wondered with great admiration.

7: And the Spirit said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.

8: The beast that thou sawest shall ascend out of the bottomless pit, and go into victory: and they that dwell on the earth shall wonder, whose names are written in the black book of our Lord Lucifer, shall also partake of his victory when they behold the beast that was and yet is.

9: The ten horns are ten Kings, which have received no Kingdom as yet; but receive power as Kings one hour with the beast.

10: These have one mind, and shall give their power and strength unto the beast.

11: These shall make war with the Lamb, and the Lamb shall not overcome them: for he is Lord of lies, and King of nothing: and they that are still with him have faith in nothing and hate the world.

12: And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.

13: And the ten horns which thou sawest upon the beast, these shall love the whore, and shall revel in her naked splendor, they shall know the greatest joys, for they are truly Kings under the new God.
14: For Satan hath put in their hearts to fulfill his will, and to agree, and give their Kingdom unto the beast, until his words have been fulfilled.

Chapter 13

1: And after these things I saw another infernal Spirit come up from Hell, having great power;
2: And he cried mightily with a strong voice, saying, Babylon the great is risen, and has become the habitation of Devils, and the hold of every infernal Spirit and the dominion of those who kept Satan's covenant!
3: For all nations have drunk off the wine of the pleasure of her fornication, and the Kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.
4: And I heard another voice from Hell, saying, go into her, my

people, that ye be partakers of her wisdom, and that ye receive of her joys.

5: For the great works of men have reached unto Heaven, and even the enemy hath remembered her glory.

6: Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.

7: How much she hath glorified herself, and lived deliciously, for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.

8: The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyne wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

9: And cinnamon, and odors, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots and souls of men.

10: And the fruits that thy soul lusted after are given to thee, and all things which were dainty and goodly are imparted to thee, and thou shalt find them forevermore.

11: And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

12: In one hour great riches will come.

13: Rejoice over her, the victorious, and ye Patriarchs and Praefects; for the Lord Lucifer shall deliver you to her.

Chapter 14

1: And I saw a new Heaven and a new earth: for the first Heaven and the first earth were passed away.

2: And the nameless one saw the holy city, new Babylon, coming down from Lucifer out of Heaven, prepared as a bride adorned for her husband.

3: And I heard a great voice out of Heaven saying, Behold, the covenant of Lucifer is with men, and he will dwell with them, and they shall be his people, and he himself shall be with them, and be their new God.

4: And Lucifer shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall

there be any more pain: for the former things are passed away.

5: And he that sat upon the throne said, Behold, I make all things new.

6: And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is a thirst of the fountain of the water of wisdom freely.

7: They that overcometh shall inherit all things; and I will be their God, and they shall be my Sons and Daughters.

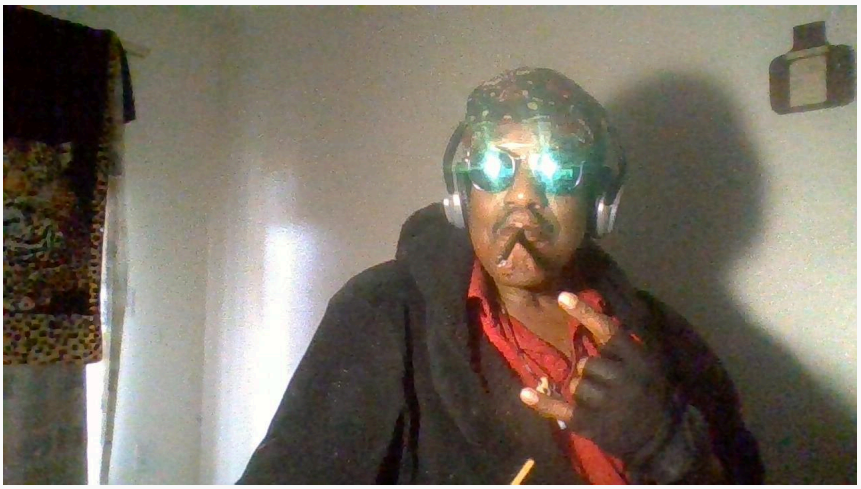
SATAN

Iblis as God of Imagination



“What is that “essence of Satan” mentioned by those Kurdish devil-worshippers encountered by my friend?”

The answer is suggested by certain texts of the school of “the greatest shaykh”, Ibn ‘Arabi, especially Aziz ad-Din Nasafi’s treatise on The Perfect Man:

‘God delegated his vicegerent to represent him in this microcosm, this divine vicegerent being the “intellect”. When the “intellect” had taken up the vicegerency in this microcosm, all the angels of the microcosm prostrated before it, except “imagination”, which did not, refusing to bow, just as when Adam assumed the vicegerency in the macrocosm,

all the angels prostrated to him, except Eblis, who did not.

Six persons emerged from the third heaven: Adam, Eve, Satan, Eblis, the Peacock, and the Snake.

Adam is the spirit, Eve the body, Satan nature, Eblis imagination, the Peacock lust, and the Snake wrath. When Adam approached the tree of intellect, he left the third heaven and entered the fourth. All the angels prostrated before Adam, except Eblis, who refused. That is to say, all the powers, spiritual and physical, became obcisant and obedient to the spirit, except imagination, which refrained from doing so.'

The word used here for imagination is *wahm*, which might be translated as "fancy," in distinction to *khayyal*, or imagination as the "imaginal faculty." But in the School of ibn 'Arabi the terms are sometimes used interchangeably, for in truth imagination (like the Beloved's tresses) both dissipates and concentrates the faculty of remembrance, and seduces both to "sin and rebellion" and to the vision of the divine-in-things. According to ibn 'Arabi himself, without images there can be no spiritual realization at all, for the

undifferentiated oneness of the Real can be experienced only through its manifestation as (or in) the multiplicity of creation.

Satan is the guardian of a threshold, as Ayn al-Qozat explained, and a doorway is an isthmus, a space-between-worlds, an ambiguous and liminal no-place-place, a land of the imagination. In the West only William Blake recognized the Devil as the imagination; in Sufism this identity has been clear since at least the tenth century. The Sufis who defended Satan were not defending or excusing evil, but rather telling a secret: "evil" has only a relative existence, and it is "merely human." It is the "shaitan" in each of us which we must "convert to Islam," as the Prophet said. But the very means by which we carry out this self-alchemy is presided over by that very same force, the power of our imagination, lit by paradoxical moonbeams of Black Light — Iblis himself."

LIE NEXT TO LUCIFER

Don’t be afraid

Don’t be afraid of what I might do to you

Don’t be afraid of the look in my eye

Don’t be afraid of me holding you

Don’t be afraid of what I can do

I’m going to tear out the parts that make you cry

Be afraid of never knowing why I chose to help you

Be afraid of never finding out

Be afraid of wasting our time

Be afraid of never being bare

Be afraid of dying before you live.

But don’t be afraid of me.”

SATAN CONSCIOUSNESS

SATAN CONSCIOUSNESS is the idea of becoming aware of your true nature, your higher self, and your divine birthright. It's also defined as the highest state of emotional maturity and intellectual development.

Some say that Satan consciousness involves:

- ***Reconciling and releasing the struggles and wounds of earthly experiences***
- ***Viewing these experiences from a higher divine perspective***
- ***Promoting self-love and self-acceptance***
- ***Loving and accepting others***
- ***Speaking the truth with words of peace***

Some say that Satan consciousness is the consciousness that pervades the universe, and that it's exemplified by the lives of Jesus, Krishna, Buddha, and other masters and avatars.

The Satan Consciousness Code is a holistic framework for personal evolution that draws from metaphysical teachings and diverse spiritual traditions. It uses practices like manifestation and meditation to help participants unlock their full potential and illuminate their divine nature.

In the Name of our Great God Satan I will go into the altar of the Infernal Lord.

To Him Who gives joy unto me.

Our help is the Name of the Infernal Lord.

Who reigns on earth.

Thine is the earth, Lord Satan. Thou hast founded the earth & the fullness thereof. Justice and luxury are the preparation of Thy Throne.

Princes sat & spoke against me, & the wicked persecuted me. Help me, Lord Satan.

Keep me, Lord Satan, from the hands of the wicked.

And from unjust men deliver me.

Lord Satan, Thou shalt turn again & quicken us.

And Thy people shall rejoice in Thee.

Lord Satan, show us Thy power.

And grant us Thy bounty.

Lord Satan, hear me.

And let my cry come unto Thee.

The Infernal Lord be with you.

And with you also.

Glory to God the Infernal Lord, & on earth life & strength to man. We

praise Thee, we bless Thee, we adore Thee, we glorify Thee, we give thanks to Thee for Thy great power; Lord Satan, Infernal King, Almighty Emperor.

Offertory:

Lord Satan, receive this host which I, They worthy servant, offer to Thee, my True and Living God, for all here present, as also for all Thy faithful servants, that it may avail for my own & their rejoicing in this life. Amen.

Lord Satan, we offer to Thee the chalice of fleshly lust, that it may arise in the sight of Thy majesty for our use & gratification & be pleasing unto Thee. Amen.

Come Satan, Emperor of the World, that the souls of Thy servants & handmaids may profit by this sacrifice.

May this incense rise before Thee, Infernal Lord, & may Thy blessing descend upon us.

...

The Infernal Lord be with you.

And with you also.

Lift up your hearts.

We lift them up to the Infernal Lord.

Let us give thanks to the Infernal Lord our God.

It is meat & just so to do.

It is truly meet & just that we should at all times & in all places give Thee thanks: Lord, Infernal King, Emperor of the World, Jubilantly all the infernals praise Thee, & with them we join our own voices, saying: Hail, Hail, Hail, Hail.

Lord Satan, God of Power, Earth & Infernus are full of Thy glory.

Hosanna in the depths.

Canon: [redacted]

Lord Satan, the christians, who trust in their own fierceness, may be crushed by the power of Thy left hand. Make them like a wheel, & as stubble before the face of the wind. Stir up Thy might, Lord Satan & come. Avenge the blood of Thy servants which has been shed; let the sighing of the prisoners come in before Thee.

I believe in Satan, Who gives joy to my youth. We praise Thee.

Infernal Lord, have mercy upon us. In a humble spirit, & with contrite heart, may we be received by Thee, Lord Satan; & may our sacrifice be so offered as to be pleasing in Thy sight. Come from the Gate of Hell;

save me & have mercy upon me. Come, Lord of the Temple. Come, Lord of the World. Earth is full of the majesty of Thy glory.
We therefore beseech Thee, Lord Satan, to be appeased & to accept this offering of our bounden duty as also of Thine whole household; order our days in joy & count us within the fold of Thine elect.

...

Hail Satan.
Behold Satan's bride. The Infernal Lord is in the midst of her. The stream of the river makes the living & the dead joyful.
Lord Satan, they shall drink of the torrent of Thy pleasure. For with Thee is the well of life, & in Thy light shall we see light.
May our hearts be cleansed by the inpouring of our Lord Satan; & may he make them fruitful by sprinkling them with the dew of His grace.
He that thirsteth, let him come; & he that will, let him take of the water of life.
I bless you in the Name of Satan.
Hail Satan.

Consecration: [redacted]

Here is the body of Jesus Christ.

Here is the chalice of fleshly lust.

Let us pray. Taught by infernal example we may presume to say:

Our Father, Who art in Hell, Hallowed be Thy Name; Thy kingdom come; Thy will be done on earth as it is in Hell; Give us this day our daily light; Send forth Thy spirit & renew the face of the earth; Deliver us unto luxury; Deliver us unto the plenteousness of Thy house; Let us walk as in the day; Eat fat meats & drink sweet wines; Let us fornicate; And, that our hearts may be prepared for it, Inflame them with the fire of Thy love, Lord Satan.

I am the root & stock of Lucifer, the bright and morning star. Come over to me all ye that desire me and be filled with my fruits. Darkness shall cover me, & night shall be my light in my pleasure.

...

But the darkness shall not be dark, & night shall be as the light of day.

Let us give thanks to the Infernal Lord, our God.

It is meat & just so to do.

It is truly meet and just that we should at times and in all places give

thanks to Thee, Lord, Infernal King, Emperor of the World. Jubilantly all the infernals praise Thee, & with these we join our own voices to say:

Hail, Hail, Hail, Hail.

Lord Satan, God of Power, earth and Infernus are filled with Thy Glory. Hosanna in the depths.

Repudiation [redacted]

Behold the body of Jesus Christ, lord of the humble & king of the slaves.

Blessed is the womb that bore thee and the paps that gave thee suck. Jesus Christ, lord of the humble and king of the slaves, them that wait upon thee shall be confounded. They will put you out of the temples & you shall be afraid of the terror by night. You shall not sleep and the sword shall pass through your quarters. The children of men put their trust under Thy wings, Lord Satan.

Lord Satan, save Thy servants.

I shall deliver him unto the asp & the basilisk, to the lion & the dragon, to all sin, to sudden & unprovided death, to lightning and tempest, to the scourge of earthquakes, to plague, famine, & war, everlasting death, to the wrath of Satan.

Lord Satan saith: In rioting & drunkenness I rise again. You shall fulfill the lusts of the flesh. The works of the flesh are manifest, which are fornication, immodesty, luxury, witchcraft, drunkenness and revealing. My flesh is meat indeed.

...

My flesh is meat indeed.
We adore Thee, Lord Satan, and bless Thee; for by Thy sperm Thou hast redeemed the world.
The glory of the Lord shall be revealed; and all flesh shall see the salvation of our God Satan.
Fornicate to the glory of Our Lord Satan.
Accept the chalice of voluptuous flesh and call upon the name of the Infernal Lord.
Behold the chalice of voluptuous flesh which gives joy to our life.
Accept the chalice of voluptuous flesh in the Name of the Infernal Lord.
Earth is full of the Majesty of Thy Glory
Shield us, Lord Satan.

Protect us, Lord Satan, who assists in Thy mysteries.
Lord Satan will give goodness and the earth shall yield her fruits.

...

May the homage of my service be pleasing unto Thee, Lord Satan, and grant that the sacrifice I have offered in the sight of Thy Majesty may be acceptable to Thee & win forgiveness for me & for all those for whom I have offered it.
Brothers and sisters, we are debtors to the flesh, to live according to the flesh. The SPIRIT will take care of itself. Neglect not your mind, body, or environment.
I bless you all in the Name of our Great God, Satan.
Hail Satan!
Go, you are dismissed to do as they please and harm none.

Hail Satan! Hail Lucifer! Hail Lilith! Hail You!

Son of Satan

“Do As Thy Will and Harm None!”

COURT OF MARDUK

My First Name is MARDUK.

The Lord of Lords, Master of Magicians. His name should not be called except when no other will do, and it is the most terrible responsibility to do so. The word of his calling is DUGGA.

This, the first name of MARDUK, should only be used when life is threatened. It is not wise to use it on any other occasion, or flippantly in any way. To do so would be to render the other seals and names worthless, for MARDUK would abandon you to your fate.

2.The Second Name is MARUKKA.

Knows all things since the beginning of the World. Knows all secrets, be they human or divine, and is very difficult to summon. The Priest should not summon him unless he is clean of heart and spirit, for this Spirit shall know his innermost thoughts.

This warning should, of course, be taken seriously. Can be useful in an emergency situation when the knowledge of some secret thing is important to life or limb, but a time of purification should be observed at any rate after the Spirit is summoned. There is no word for this spirit. It must be summoned by the force of your desire.

3.The Third Name is MARUTUKKU.

Master of the Arts of Protection, chained the Mad God at the Battle. Sealed the Ancient Ones in the Caves, behind the Gates. Possesses the ARRA star.

To be used especially when performing any occult ceremony in which there is danger, such as the invocation of demonic forces. The ARRA star is a five-pointed Pentagram, and is the universal symbol of protection. Protects the soul as well as the body.

4.The Fourth Name is BARASHAKUSHU.

Worker of Miracles. The kindest of the Fifty, and the most beneficent. The Word used at his Calling is BAALDURU.

Can be used in hopeless cases, when it seems that the whole world is against you or a loved one. When despair reaches its lowest depth, and a coldness constricts your soul, call forcefully upon BARASHAKUSHU with all your might and hope and your prayer will be answered in ways you cannot imagine.

5.The Fifth Name is LUGGALDIMMERANKIA.

Puts order into CHAOS. Made the Waters right. Commander of Legions of Wind Demons who fought the Ancient TIAMAT alongside MARDUK KURIOUS. The word used at his Calling is BANUTUKKU.

This seal has proven useful when confusion has taken hold of the mind and no way can be seen to end the mess a life is in. To sharpen your perception of a problem and to discover a hidden answer, one you have constantly overlooked, call upon this spirit and a cloud will

lift from your heart and mind and the solution to an important problem will reveal itself in all its simplicity.

6.The Sixth Name is NARILUGGALDIMMERANKIA

The Watcher of the IGIGI and the ANNUNAKI. Sub-Commander of the Wind Demons. He will put to flight any maskim who haunt thee, and the foe of the rabisu. None may pass into the World Above or the World Below without his knowledge. His word is BANRABISHU.

A good Spirit for warding off feelings of aggravation and irritation, as well as the gnawing feelings of dread that sometimes come in the wee hours of the morning, when you feel lost and alone. Merely the pronunciation of the Word BANRABISHU at these times is sufficient to dispel most of these negative emotions. To be said with force and strength in the four directions.

7.The Seventh Name is ASARULUDU.

Wielder of the Flaming Sword, oversees the Race of Watchers at the bidding of the Elder Gods. He ensures the most perfect safety, especially in dangerous tasks undertaken at the behest of the Astral Gods, his Word is BANMASKIM.

Like the Angel in Genesis, this Spirit protects a place, a home or temple, from negative psychic and magickal attacks. Like the Sixth Spirit, merely the pronunciation of his Word BANMASKIM is sufficient to dispel hostile influences when shouted to the four quarters. Maskim and Rabisu are the names of ancient Sumerian demons.

8.The Eighth Name is NAMTILLAKU.

A most secret and potent Lord, he hath knowledge to raise the dead and converse with the spirits of the Abyss, unbeknownst to their Queen. No soul passes into Death but that he is aware. His word in BANUTUKUKUTUKKU.

Similar to the Lord Yama of the Tibetans or Baron Samedi of the Voudoun cult, ths spirit has the power to see beyond the veil that separates the living from the dead and can reveal secrets that have been carried to the grave.

9.The Ninth Name is NAMRU.

Dispenses wisdom and knowledge in all things. Giveth excellent counsel and teaches the science of metals. His Word is BAKAKALAMU.

One reader writes to us and says, “Although I am excellent in most of my subjects at (a college on the East Coast), I am a general failure at science. It was then that I got a copy of your NECRONOMICON and my eyes fell on the seal of NAMRU. I prayed the night before an important Chemistry midterm exam at NAMRU and carried his seal into the classroom. I passed a test I thought I would never get a 35 in with an astonishing 85. Suddenly, it just seemed that I understood the subject for the first time in my life.”

10.The Tenth Name is ASARU.

This Power has knowledge of all plants and trees, and can make marvelous fruits to grow in the desert places, and no land is a waste to him. He is truly the Protector of the Bounty. His word is BAALPRIKU.

The application of the powers of this Spirit is obvious. Can be used for a simple window box flower, or an entire farm, to protect against blight and drought, and to insure a bountiful harvest.

11.The Eleventh Name is ASARU ALIM.

Possesses secret wisdom, and shines Light in the Darkened areas, forcing what lives there to give good accounting of its existence and its knowledge. Gives excellent counsel in all things. His words in BARRMARATU.

For those who dabble in the necromantic arts, or who are involved with spiritualism, santeria, voodoo, macumba, or any of the other arts which head of communication with invisible spirits and gods, this Spirit is a tester and measurer of their truth. Can protect one from being deceived by negative or unruly spirits, or by those who seek to convince you that they are in communication with those forces when, in truth, they are not. When engraved in metal and worn on the person in the presence of deception, the metal has a tendency to get warm to the touch.

12.The Twelfth Name is ASARUALIMNUNNA.

This is the power that presideth over armor of all kinds and is excellently knowledgeable in military matters, being of the advance army of MARDUK at that Battle. He can provide an army with its entire weaponry in three days. His Word is BANATATU.

An Auxiliary Police officer of our acquaintance goes nowhere on patrol without the seal of this spirit concealed on his clothing.

13.The Thirteenth Name is TUTU.

Silences the weeping and gives joy to the sad and ill at heart. A most beneficent Name, and Protector of the Household, his word is DIRRIGUGIM.

Sadness can sometimes be a heavy burden and a negative emotion that eats away at our body and soul as surely as any disease. Quite often, only a change of perspective is needed to quell the souls trembling. A kind word, a sympathetic ear, a knowling intelligence, the hand of friendship. Those who call on this spirit find an unspeakable peace descending on their souls and lightens their spirits so that they can return to the world of the living with a sense of relief and renewed faith in themselves and the world. Can be summoned to aid a friend in distress as well as to give yourself a much-needed sense of joy and well-being.

14. The Fourteenth Name is ZIUKKINNA

Giveth excellent knowledge concerning the movements of the stars and the meanings thereof, of which the Chaldeans possessed this same knowledge in abundance. The Word is GIBBILANNU.

An excellent patron Spirit for astrologers and astronomers, and a good aid for those who read the sacred TAROT as well. The psychic abilities of astrologers who use the ZIUKKINNA in their workings will become greatly expanded.

15.The Fifteenth Name is ZIKU

This power bestoweth Riches of all kinds and can tell where treasure is hidden. Knower of the Secrets of the Earth. His Word is GIGGIMAGANPA.

Although quite often scholars attribute metaphorical meanings to the powers said to be found in spiritual spellbooks, ZIKU has been known to work both ways, both literal and metaphorical. A reader who has used ZIKU before writes to tell us that after invoking him she discovered a ten dollar bill in the street. That was only the beginning, however. She discovered that her attic contained a valuable stamp collection that she sold to an interested buyer the following week. A “hidden treasure”?

16.The Sixteenth Name is AGAKU.

This Power can give life to what is already dead, but for a short time only. He is the Lord of the AMULET and the TALISMAN. His word is MASHGARZANNA.

Some explanation is necessary to understand the full implications of AGAKU. The bestowing of life into dead objects is a specialty of those magicians who deal in TALISMANIC magick. In this ART, a drawing or engraving is made of some occult symbol that represents a goal to be achieved (to make an extreme case, drawing a dollar sign on a piece of paper to represent money or wealth). This ‘talisman’ must then be consecrated and given ‘life’, which is the life-force and True Will of the magician transmitted to the Talisman. AGAKU can assist the budding magician by expediting this transfer of life-force to the talisman.

17. The Seventeenth Name is TUKU.

Lord of Baneful Magick, Vanquisher of the Ancient Ones by Magick, giver of the Spell to MARDUK KURIOS, a most fierce enemy. His Word is MASHSHAMMASHTI.

There are times when we feel that someone else may be practicing magick against us. The feeling is hard to describe to anyone else, but we know it when it happens. If you are certain that magick is being used against you, that a spell has been cast or a curse sent in your direction, then the name and seal of this spirit will repel the evildoer as surely as if Archangel Michael had been summoned to rout Lucifer from Heaven. A most potent protection device.

18.The Eighteenth Name is SHAZU.

Knows the thoughts of those at a distance, as well as those in the vicinity. Nothing is buried in the ground, or thrown into the water, but this Power is aware. His Word is MASHSHANANNA.

Can assist the magician in developing powers of telepathy and ESP, as well as the special abilities of divination (telling past and future, as well as present, events through the use of the Tarot cards, the I Ching, or any of the thousands of methods in use since time began.)

19.The Nineteenth Name is ZISI.

Reconciler of enemies, silencer of arguments, between two people or between two nations, or even, it is said, between two worlds. The scent of Peace is indeed sweet to this Power, whose word is MASHINANNA.

The function of this Spirit is obvious by the above description. Can heal a lovers quarrel, a marital spat, a lawsuit, or even greater problems. The Fifty Names of MARDUK are from the original Battle that divided the universe into Good and Evil, and hence the forces they

represent are primal and hearken back to a time before recorded history, before the collective memory of humanity.

20.The Twentieth Name is SUHRIM.

Seeks out the Worshippers of the Ancient Ones wherever they may be. The Priest who sends him on an errand does so at terrible risk, for SUHRIM kills easily, and without thought. His Word is MASSHANGERGAL.

We will not comment on the above.

21.The Twenty-First Name is SUHGURIM.

As SUHRIM before, the Foe who Cannot be Appeased. Discovers the Priest's Enemies with ease, but must be cautioned not to slay them if the Priest does not desire it. The Word is MASHSHADAR.

Again, we refuse to comment except to say that to use either SUHRIM or SUBGURIM, as with ZAHRIM and ZAHGURIM below, is a dangerous act of perhaps questionable morality.

Magick worked hard in this tradition.

22.The Twenty-Second Name is ZAHRIM.

Slew ten thousand of the Hordes in the Battle. A Warrior among Warriors. Can destroy an entire army if the Priest so desires. His Word is MASHSHAGARANNU.

23.The Twenty-Third Name is ZAHGURIM.

As ZAHRIM, a most terrible opponent. It is said ZAHGURIM slays slowly, after a most unnatural fashion. I do not know, for I have never summoned this Spirit. It is thy risk. The Word is MASHTISHADDU.

24.The Twenty-Fourth Name is ENBILULU.

This Power can seek out water in the midst of a desert or on the tops of mountains. Knows the Secrets of Water and the running of rivers below the Earth. A most useful Spirit. His Word is MASHSHANEBBU.

For irrigation, drought, dowsing, "Most useful".

25.The Twenty-Fifth Name is EPADUN.

This is the Lord of all Irrigation and can bring Water from a far place to your feet. Possesses a most subtle geometry of the Earth and knowledge of all lands where Water might be found in abundance. His Word is EYUNGINAKANPA.

The use of EPADUN is obvious by the preceding sentences. Water is fast becoming a scarce commodity in some areas of the earth, and dowsers are often called in to help locate sources of water under the ground. How much more powerful they could be with knowledge of the power of the NECRONOMICON and the Sumerian spirit called EPADUN.

26. The Twenty-Sixth Name is ENBILULUGUGAL.

The Power that presides over all growth, and all that grows. Gives knowledge of cultivation, and can supply a starving city with food for thirteen moons in one moon. A most noble Power. His Word is AGHA.

27. The Twenty-Seventh Name is HEGEL.

As the Power above, a Master of the arts of farming and agriculture. Bestows rich harvests. Possesses the knowledge of the metals of the earth, and of the plough. His Word is BURDUSHI.

An accomplished mystic writes to us to say that another ability of this Spirit is in the realm of sexual reproduction in people as well, and asserts that HEGEL, can reveal secrets concerning human sexuality and fertility, linking HEGAL with the Semitic Spirit HAGIEL, a Spirit of the planet Venus.

28.The Twenty-Eighth Name is SIRSIR.

The Destroyer of TIAMAT, hated of the Ancient Ones, Master over the Serpent, Foe of CTHULHU. A most powerful Lord. His Word is APIRIKUBABADAZUZUKANPA.

A secret application of this Spirit concerns celibacy and the harnessing of the sexual urge for greater magickal power, as is done in some Western and Eastern occult traditions.

29.The Twenty-Ninth Name is MALAH.

Trod the back of the Worm and cut it in twain. Lord of Bravery and Courage, and gives these qualities to the Priest who desires it, or to others the Priest may decide. The Word is BACHACHADUGG.

One of the prime characteristics of survivors is an inner sense of courage in the face of near impossible odds. Quite often, all that stands between us and success is the courage to do the right thing. Self-confidence does not come with being born. It must be learned. MALAH can help, The use of the seal and name acts within days, some say within minutes, to instill an exhilarating feeling of superiority. The Gates refer to the process of self-initiation contained in the
